

Time to pick a club!

MS Middle School

HS High School

## Preparatory Campus Club Offerings

MS

Book Club with  
Ms. Montealegre

Join the Book Club and dive into the world of literature! Book club is a welcoming space for book lovers of all genres. Book club discusses a diverse selection of books, shares thoughts, and explores different literary perspectives. Whether you're an avid reader or looking to get back into the habit, our lively discussions offer something for everyone. Come expand your horizons, discover new favorites, and connect with fellow students who share your passion for reading. Book club welcomes all students and meets on Tuesdays from 3:30 PM-4:30 PM in RM 102. Students are responsible for purchasing the book that will be read.

MS

Cheerleading  
Club\*

The Cheerleading Club will focus on building school spirit while students learn basic cheers, chants, and simple routines. Students will work together to develop teamwork skills, confidence, and school pride. Whether you've cheered before or are trying it out for the first time, this club is all about having fun and supporting each other. No experience is needed, just bring your energy and a positive attitude. Club dues are \$30 and must be paid upon joining through a FACTS link, which will be provided during the first week of club meetings. The Cheerleading Club meets every Monday from 3:30-4:30 PM in the Courtyard. \$30 fee

HS

Come sharpen your mind, make new friends, and enjoy the game of kings and queens! Whether you're a beginner learning how the pieces move or a seasoned player ready for a challenge, Chess Club is the place to relax, play, and have fun. No pressure, just good games and good company. The Chess Club meets every Tuesday from 3:30 PM-4:30 PM in RM L102.

### Chess Club with Ms. Venerio

---

MS

HS

Whether you're a seasoned pro or a beginner, Crochet club is the perfect place to explore the art of crochet. We offer a supportive and friendly environment where you can learn new techniques, share your projects, and connect with fellow crochet enthusiasts. Join us for weekly meetings, workshops, and fun social events as we create beautiful handmade items and foster a sense of community. The Crochet club welcomes all students from middle and high school. Crochet club meets every Monday from 3:30 PM-4:30 PM in RM 116. Students will be responsible for purchasing their materials.

### Crochet Club with Mrs. Otero

---

HS

### DECA Business Club with Mr. Dinter

DECA is a non-profit organization that contains chapters from all over the world. High School DECA clubs aim to help students learn about business, develop professional skills, and emerge as young leaders. You should join if you have an interest in business, public speaking, or just want to get out of your comfort zone and meet new people. This club also gives members the opportunity to travel and compete in events in fields such as marketing, finance, hospitality, and management. The DECA experience is unlike any other with a mission to create the next generation of leaders. DECA meets every Tuesday from 3:30 PM-4:30 PM in RM C201.

MS

HS

### Drumline with Mr. Rees

The Drumline is a percussion group that performs traditional drumline cadences and pieces. Students do not need to have played drums before joining this group, but a good sense of rhythm is key. Drumline members will learn to read written notation, play in time, and count the beats. There will be several different performances, both on and off campus, as well as performing for select sporting events. Students may need to carry harnesses with drums attached, which may be heavy. Drumline instruments include snare drums, bass drums, tenor drums, and cymbals. Drumline is open to middle and high school students. The club meets every Tuesday from 3:30 PM-4:30 PM in RM 221.

## Environmental Club with Ms. Sanchez

The Environmental Club will create awareness and sensitivity among students towards environmental issues and their connected problems. Students will participate in meaningful environmental activities and projects to help our local and global environment. Students will discuss topics, such as global warming, nature preservation, and ways to live a sustainable life. They will also organize beach clean-ups, park clean-ups, and will work with local organizations to plant trees around our community. Students will compete in the Fairchild Challenge and NASA Growing Beyond Earth Challenge. The Environmental Club meets every Friday from 3:30 PM-4:30 PM in RM 216.

---

## Film Society with Ms. Munoz

Film Society is the place for budding film directors, editors, scriptwriters, boom operators, cameramen, actors, and anyone interested in gaining experience with the process of filmmaking! Students collaborate on community projects and develop their ideas through the pre-production, production, and post-production process. The club gives students a chance to see their ideas evolve on video and gain experience in various aspects of filmmaking. Projects are submitted to regional competitions against other high schools and judged by professionals in the media industry. These competitions not only provide students with valuable feedback about their work but also a chance to be recognized for their creative efforts. The club meets every Monday from 3:30 PM-4:30 PM in RM 105.

---

## Give With Love with Ms. Carballo\*

Give With Love is dedicated to spreading encouragement, optimism, and love through various projects designed to promote a ripple effect of positivity throughout our school community. Students will create handwritten cards, affirmation posters, and small gifts that will be distributed to our student body to share their positive message. Club dues are \$30 and must be paid upon joining through a FACTS link, which will be provided during the first week of club meetings. The club meets every Thursday from 3:30 PM-4:30 PM in RM 207.

---

## Key Club with Ms. Sanchez\*

Key Club is a student-led organization whose goal is to encourage leadership through serving others. Our members develop initiative and leadership skills by serving their schools and communities. Key Club members around the world are learning how to lead and stand for what is right through service and volunteerism. In partnership with their local Kiwanis Club, high school students make a positive impact as they serve others in their schools and communities. Club dues are \$30 and must be paid upon joining through a FACTS link, which will be provided during the first week of club meetings. Key Club is open to high school students only. The club meets every Monday from 3:30 PM-4:30 PM in the Cafetorium.

HS

The Law Club is a space for students interested in law to learn, discuss, and explore the many paths within the legal field. Our goal is to give students an opportunity to not only educate themselves about legal concepts but also to gain insight into potential careers in law before reaching college. A major feature of the club will be mock trials, where members can step into the roles of attorneys, witnesses, and jurors to practice real-world legal skills in a fun, interactive way. In addition, we will host debates, case studies, and guest speakers to help students strengthen their critical thinking, public speaking, and problem-solving abilities. Whether you're curious about criminal justice, constitutional law, or simply want to sharpen your reasoning skills, the Law Club offers a supportive environment to engage with the subject and prepare for future opportunities. The Law Club meets every Thursday from 3:30-4:30 PM in RM 205.

Law Club with Ms. Wilson

HS

The United Nations is an international organization composed of all 192 countries, founded after WWII to maintain international peace and security. Model United Nations (MUN) simulates the United Nations by learning about the United Nations system and current events as a base to learn the skills of debate, compromise, conflict resolution, and negotiation. Model United Nations team members have a better overall understanding of the history of the world, geography, diplomacy, and current events. The club meets every Monday from 3:30 PM-4:30 PM in RM 206.

Model United Nations with Ms. Martinez

MS

HS

The Pottery Club is perfect for high school students passionate about art and eager to gain hands-on experience with the pottery wheel. We focus on mastering basic wheel-throwing techniques, experimenting with simple glazing, and creating small ceramic pieces. The club meets every Tuesday from 3:30-4:30 p.m. in RM 220.

Pottery with Ms. Horne

### RIV Game Studio with Mr. Hill

The Riv Game Studio is designed for students who want to explore the process of creating video games. Members will gain hands-on experience in areas such as coding game mechanics, designing interactive features, and learning the logic behind popular game engines. Students will have the opportunity to work both independently and collaboratively on projects, moving from simple prototypes to more advanced games. This club offers a space to build technical skills, practice problem solving, and bring your creative ideas to life through code. The Riv Game Studio meets every Tuesday from 3:30-4:30 PM in RM 215.

---

### RPS Health and Wellness Club with Ms. Gordon-Battle

RPS is excited to launch student-led clubs that promote health, safety, and positive choices:

NAMI (National Alliance on Mental Illness) – Raises awareness about mental health, reduces stigma, and supports students through high school, college, and beyond. Meets on the first Thursday of the month in RM 251.

S.W.A.T. (Students Working Against Tobacco) – Educates peers on the dangers of tobacco, vaping, and secondhand smoke while promoting smart, healthy decisions. Meets on the second Thursday of the month in RM 251.

S.A.F.E. (Students Advocating For Education) – Spreads awareness about fentanyl risks, overdose prevention, and lifesaving resources through peer-to-peer education. Meets on the third Thursday of the month in RM 251.

---

### School Culture Club with Ms. Lopez

The School Culture Club is a gathering dedicated to celebrating and educating the student body about the rich diversity within our school and the wider world. Our mission is to highlight the histories, traditions, and contributions of different cultures and ethnicities. Through engaging activities, informative presentations, and meaningful discussions, we aim to foster understanding, respect, and appreciation for the unique backgrounds and perspectives that shape our global community. Join us in exploring and honoring the beautiful tapestry of cultures that connect us all. The club meets every Thursday from 3:30 PM-4:30 PM in RM 114.

The Strategic Game Club is a creative, fun, and exciting way for students to spend their afternoon. The program is not only entertaining, but also involves forethought, planning, probability predicting, and imagining skills shared by most strategy games. Players improve these skills as they compete. Dice games, card games, board games, and role-playing games are offered. This club meets for two hours each week. Club dues are \$30 and must be paid upon joining through a FACTS link, which will be provided during the first week of club meetings. The club meets every first and third Monday of the month from 3:30 PM-5:30 PM in RM 120.

---

### Strategic Games Club with Mr. Garcia\*

The Women in STEM Club is dedicated to supporting middle and high school girls passionate about bridging the gender gap in science, technology, engineering, and mathematics. Our goal is to create a safe and welcoming space for girls interested in STEM. Through hosting speakers, career workshops, and community-building events, we aim to raise awareness about the unique challenges girls face in these fields. By fostering an intellectually stimulating and open environment, we help girls build their self-esteem and explore their interests in STEM. The club meets every Thursday from 3:30 PM-4:30 PM in RM 218.

---

### Women in STEM Club with Ms. Gonzalez
