

Baldwin Union Free School District
And Baldwin Council of PTAs Present

Virtual Parent Academy Workshop

UNDERSTANDING THE K-5 MATH CURRICULUM: DIVING INTO EUREKA MATH² AND NYSED'S NUMERACY BRIEFS

THURSDAY,
NOVEMBER 6, 2025

7 PM,
VIRTUALLY

Hosted by

Mike Smyth and Miguelina Ortiz
Elementary Math Coaches for Baldwin UFSD

Open to families with students in K-5, this workshop will focus on:

- Current K-5 math curriculum (Eureka Math²) and how the program helps build a deeper understanding of math concepts (not just memorized steps)
- New York State Department of Education's numeracy briefs, which explain the broader meaning of numeracy beyond numbers: understanding, reasoning, and communicating mathematically
- How math instruction in the classroom helps students improve their problem-solving skills and meet the expectations of the latest mathematics learning standards set by the New York State Education Department
- Strategies for supporting young mathematicians at home

ATTEND VIRTUALLY
