Welcome!

to Ison Springs Elementary

Introducing our Ison Springs  
PTO Board Members

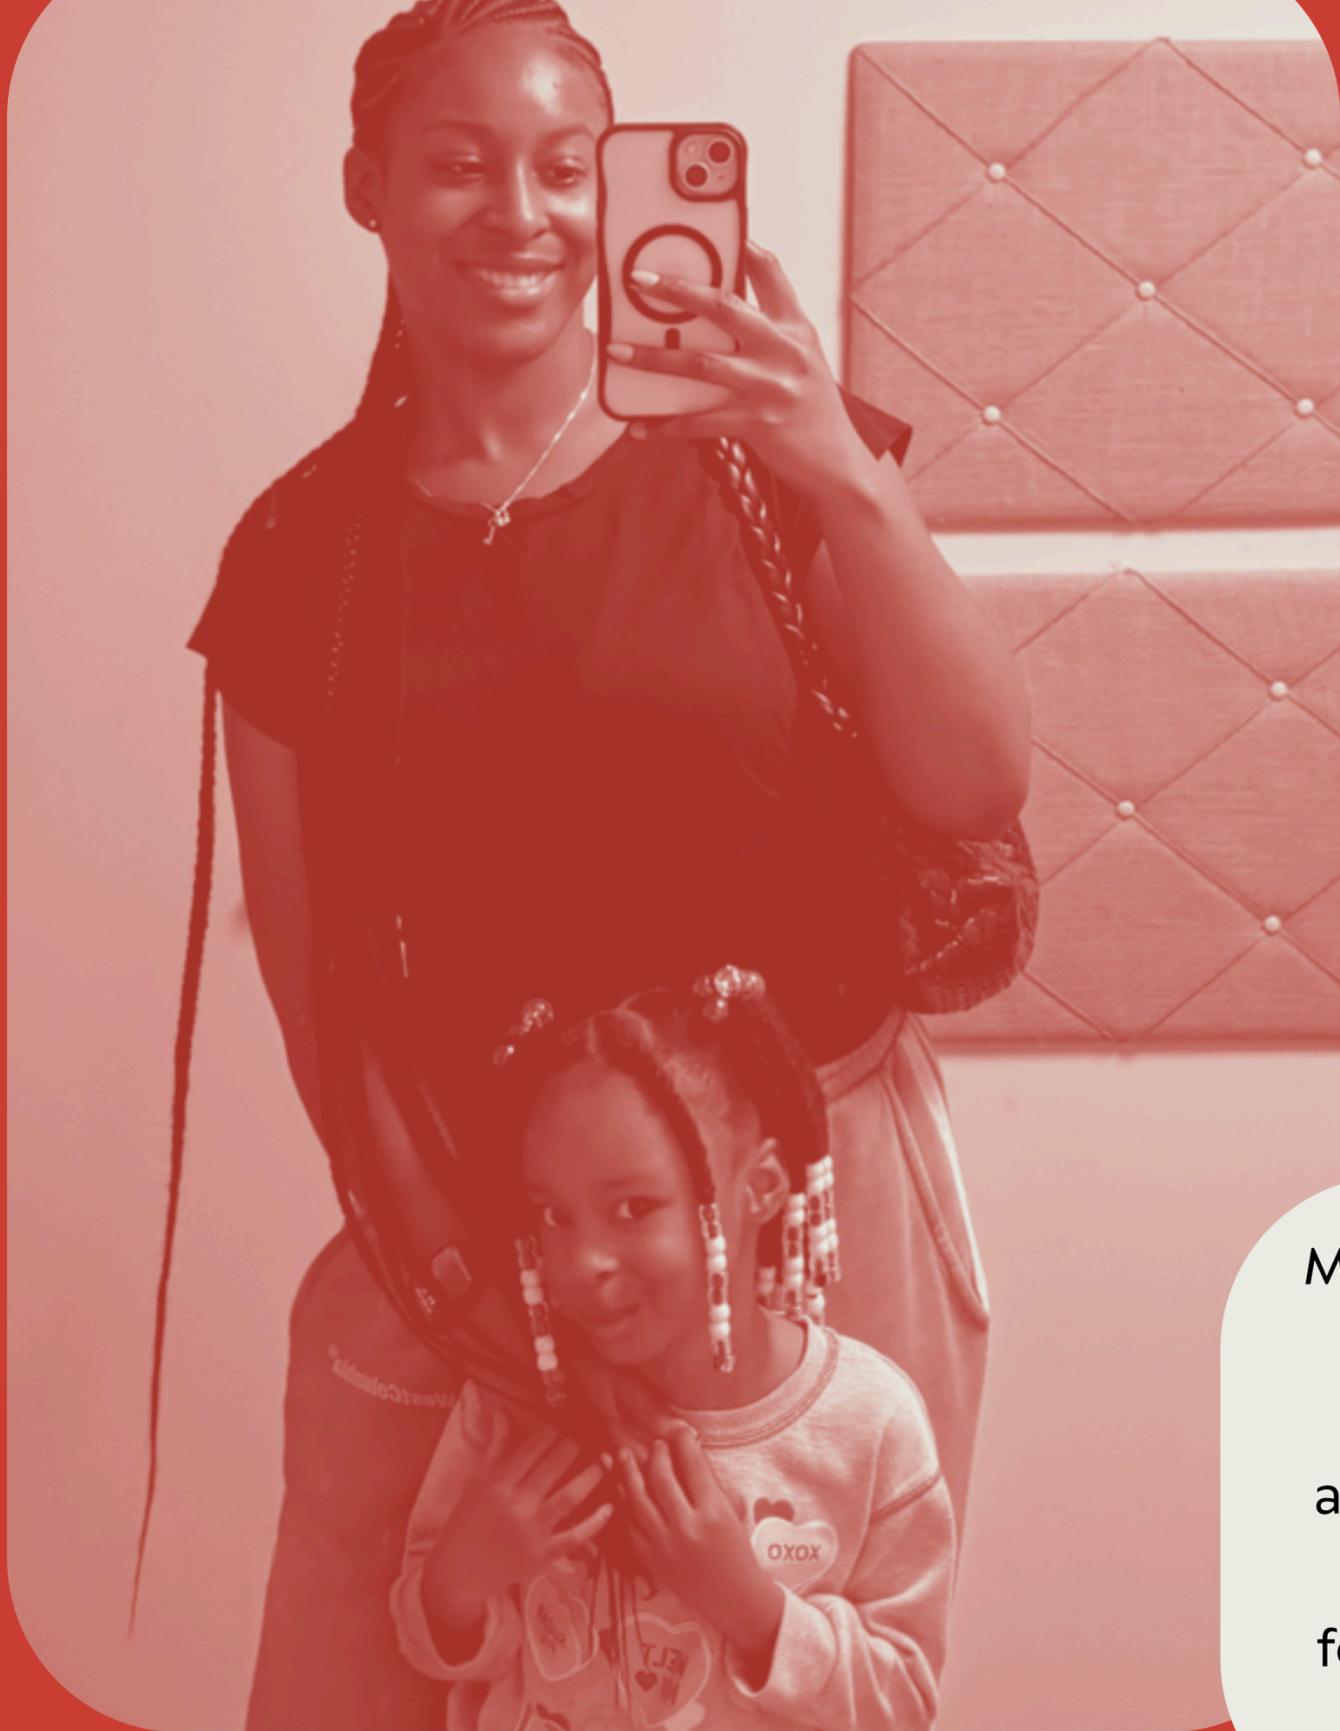

# CALI PETERSON

**BOARD  
PRESIDENT**

My most important job is being a mom to three wonderful girls. Four years ago, my background in customer service and training brought me and my family to Georgia, where I now work with an export company. I love working with people and navigating the world of logistics. I'm outgoing and sociable, and I truly believe that "a stranger is just a friend I haven't met yet."

I'm looking forward to serving all our kids and community through the PTO to the best of my ability.

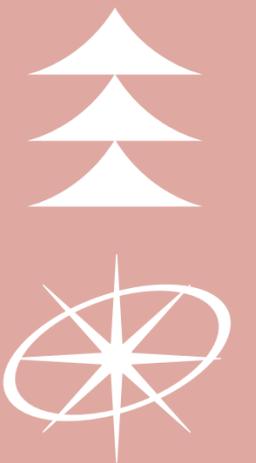

# AIYANA GOODRUM

**VICE PRESIDENT**

My name is Aiyana Goodrum, and I'm excited to serve on the PTO this year! This is my first year serving and I'm eager to get involved, collaborate with other parents, and help create fun and meaningful experiences for our students and school community. I'm really looking forward to connecting with everyone and making this a great year together!

# JACQUIE NORTON

**TREASURER**

Hello! My name is Jacquie Norton! My family moved here 4 years ago to Sandy Springs and we fell in love! My son is in kindergarten this year and I also have a daughter in the special education program in Fulton county schools. I have been a room mom at my kid's preschool for four years now and I run a mother's support group there called "Moms Unmuted." I am an Orangetheory coach, podcaster and a hairstylist as well! I look forward to helping in as many ways as I possibly can! I thrive on community and I can't wait to be a bigger part of the Hawks community!

# ARIANA EVANS

I am a retired Truck Driver from Georgia who is now a stay full time Stay at home mom. Serving on the PTA Board is a chance for me to be closer to my kids and to make a difference.

**VOLUNTEER

Hi, I'm Kassundra Evans! I'm originally from Houston, Tx and now live in Sandy Springs. I'm the proud mom of Karter Evans, and I'm excited to serve as one of the Volunteer/Room Parent Coordinators. I work as an IT Analyst, and outside of work I enjoy writing poetry, watching crime shows, and exploring cybersecurity. Building community and supporting our students, families, and teachers is something I'm truly passionate about, and I look forward to helping make this school year a great one for everyone.

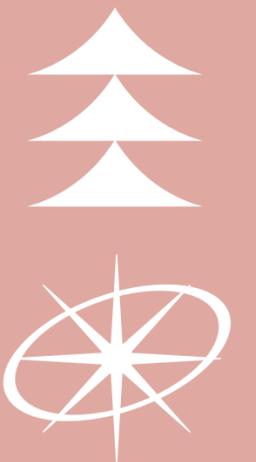

# ADEODAYO OJO

I would be happy to bring my skills and enthusiasm to support Ison Springs Elementary School.

# CAITLIN SABERS
