Jeremy King
Athletic Director

To All Spectators,

At Fannin County High School, the safety and well-being of all our student-athletes, families, and our loyal spectators remain our top priority. As we prepare for this year's upcoming sporting events, we are committed to ensuring that our stadium and facilities are as secure as possible for everyone who attends.

To further enhance our safety measures, we will be implementing the **Evolv Express Weapons Detection System** at our home sporting events this season. This state-of-the-art technology will allow us to provide a safer environment while still offering a smooth and welcoming entry experience for both our fans and our visitors.

We kindly encourage all spectators to avoid bringing items into our facilities that may set off the screening system. This will help keep the entry process quick and efficient for everyone. While the Evolv Weapons Detections System is designed to be a seamless process, we understand there may be some minor growing pains as we adjust to this new implementation. We ask for your patience, understanding, and cooperation as we navigate these updated safety protocols.

Our goal is to create an environment where everyone can enjoy the excitement of Fannin County athletics without concern for their safety. Thank you for your continued support of our athletic programs as we take this important step forward.

We invite you to take a few minutes to review the links below to better understand how seamless this process should be for all spectators.

EVOLV (Website) <https://evolv.com/concealed-weapons-detection/express/>

We look forward to seeing you all in the stands this season—loud, proud, and safe.

Sincerely,

Jeremy King
FCHS Athletic Director

The Fannin County School System does not discriminate on the basis of race, color, national origin, sex, age, religion, creed, or disability in admission to its programs, services, and activities, in access to them, in treatment of individuals, or in any aspect of operations. This also includes but is not limited to additions, modifications, or alterations to the physical plan of any school facility.
