Good things to know:

- Players need a minimum of three (3) days of practice before first competition.
- Meets typically last longer than are scheduled, some groups will play until dark.
- If after 7 shots the player is short of the putting surface, the player must pick up the ball and place it on the green and be allowed no more than three puts. This would give the player a maximum score of 10.
- For each meet, players should bring WATER, an extra layer of clothing, and snacks.
- Meets can be long and walking 9 holes of golf is equivalent to roughly 3-5 miles depending on the course.
