As we enter the fourth year of our revitalized FBLA Chapter, we are proud to announce that we now have the largest membership in the Richland One and Richland Two areas, with a total of 67 members. This growth is a positive challenge, and we are confident that our chapter will continue to thrive. We are also pleased to highlight that we have a state officer this year, and our chapter officers remain highly engaged and proactive in their leadership roles.

Our chapter has experienced significant growth, leading us to establish a new officer position: Coordinator of Competitive Events.
