

Ohatchee Elementary School

Vision

To prepare and motivate our students for a rapidly changing world, so they can achieve success today and be prepared for tomorrow.

Mission

Through meaningful learning experiences in a safe and positive environment, students will discover their potential and achieve readiness for college and careers.

Beliefs

OES believes that all members of the school community should adhere to our OES guidelines for success: O= Be On task E= Encourage others S= Show respect

Student Achievement

Objectives

- Focus on student growth and proficiency in reading and math by utilizing data from multiple sources to guide educator and learner decision making

Critical Initiatives

- Utilize research based resources, digital and physical materials, for all three tiers of instructions.
- Utilize iReady assessments to monitor student growth and proficiency in math.
- Utilize STAR assessments to monitor student growth and proficiency in reading.

Key Measures

- ACIP walkthrough observations
- Biweekly data meetings to review data

Professional Learning

Objectives

- Provide opportunities for teachers to participate in quality professional development that promotes best practices for effective instruction.

Critical Initiatives

- Provide LETRS Training (Science of Reading) for Pre-Kindergarten - 3rd Grade teachers who are not already certified.
- Provide professional development on using multiple methods of assessment, engaging all learners, monitoring learner progress, and using data to guide educator and learner decision making.
- Provide opportunities for administrators to attend professional development sessions to improve school performance through best-practices in instructional leadership.

Key Measures

- Certificate of Completion
- Admin observation/progress monitoring
