

PUEBLO SCHOOL DISTRICT 60

South High School Boundaries

Current as of March, 2008

Outer district boundary (green line) shown is approximate, not exact.

SOUTH HIGH SCHOOL BOUNDARIES DESCRIPTION

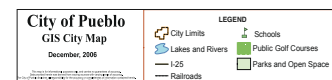

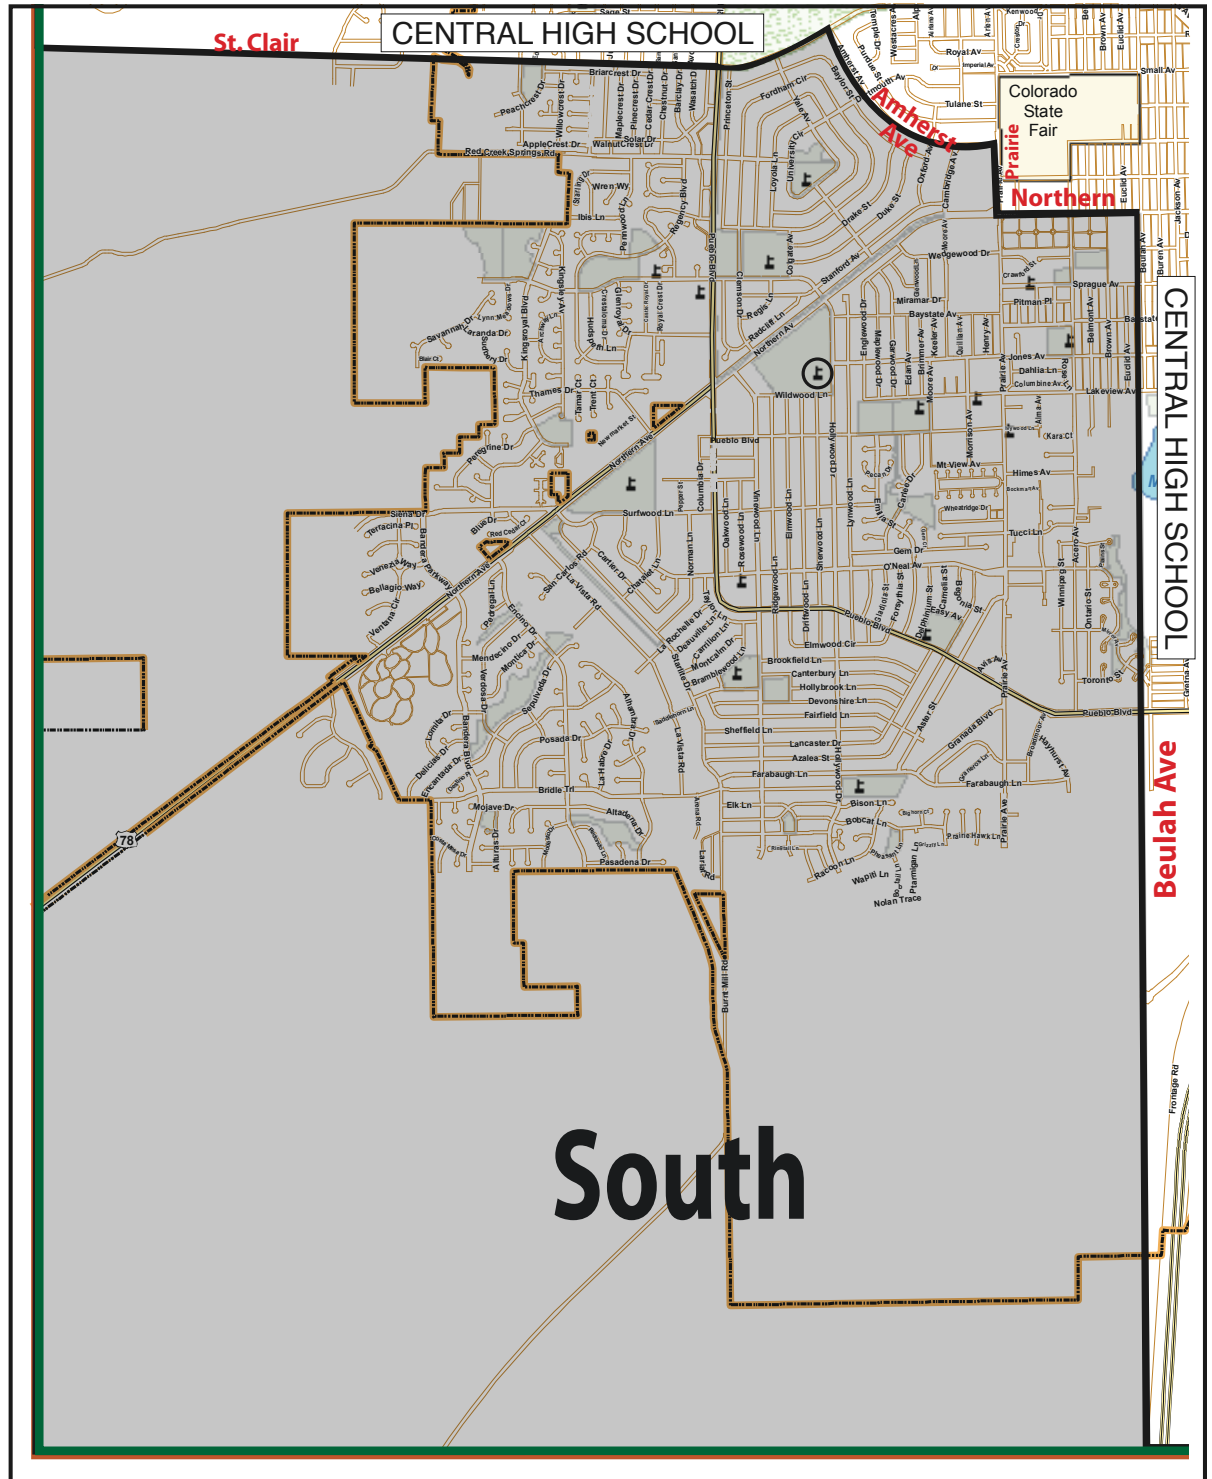

Unless other wise specified,
all boundary lines refer to an
imaginary line down the middle of
the street.

Southern boundary of South High School:

Beginning at a point where St. Clair Avenue would intersect with the western Boundary of District 60; the western and southern boundaries of District 60 are the boundaries of South High School where the southern boundary intersects with Beulah Avenue.

Northern Boundary of South High School:

Beginning at a point where Beulah Avenue intersects with the District 60 southern boundary.

To Central: North on both sides of Beulah Avenue to Northern Avenue; west on both sides of Northern Avenue to Prairie; north on both sides of Prairie to Amherst; west on both sides of Amherst to St. Clair Avenue; west on south side of St. Clair to western boundary of District 60.
