Mrs. Allen's class: *Happy November! This month we will begin occupations as our theme and finishing fall. There are still many interesting things to see for the fall, so we're also going to do it in November. We will continue working on the letters of the week and counting. Students will make fun things to do with our themes. We will also be preparing for our first parent/teacher conference. Don't forget to sign up, we can not wait to see you all again.*

Mrs. Manyik's class: Our theme for November is the farm. We will learn what animals live on a farm, who works on a farm, what is grown on a farm, and we will carry out agricultural art projects. We will also be talking about what we are grateful for. Parent/teacher conferences are coming soon. Do not forget to sign up for a time to meet!

We will also make winter crafts such as snowflakes, turkeys and pumpkins. We will continue to work on recognizing our letters and their sounds, especially those in their names. We are also working hard to write our names using the correct grip of the pencil. Towards the middle of November, we will begin our clothing unit for creative curriculum. Parent/teacher conferences are taking place this month, too! Do not forget to sign up for a time to meet.
