*Elementary music teachers who are expected by the building principal to conduct more than five (5) evening or after hour performances of the nature described by their job description shall be compensated by an additional one-fifth (1/5th) of their scheduled stipend amount for each additional performance.

New co-curricular assignments shall be brought to the SEA-SSD Collaboration Team for determination of appropriate bargaining unit and appropriate salary

High School bands perform at basketball and football games that occur as part of an extended season, i.e., for post regular season payoffs. For each such game, an extra stipend of \$150 shall be paid. Band participation in these post season events must be approved by the building Principal.
