St. George's Episcopal School (SGES) is a fully accredited, college-preparatory school for PK3-Grade 12. It is an independent Episcopal day school south of Atlanta. The SGES High School was founded in 2015; the Class of 2026 will be our 8th graduating class.

Our school's mission is to inspire children to **LEARN with passion, SERVE with respect, LIVE with purpose and LEAD with integrity**. In an environment grounded in spiritual values, SGES provides each child with an opportunity for an excellent education through active learning and independent thinking.

Accreditation & Memberships

SGES is accredited by the Southern Association of Colleges and Schools, the Southern Association of Independent Schools, and the Georgia Accrediting Association.

SGES holds membership in the National Association of Episcopal Schools (NAES) and the Southern Association for College Admission Counseling (SACAC).

Grading System

A 70 or above is a passing grade. A weighted, cumulative GPA is calculated for each student, reflecting only grades earned at or through SGES.

For AP classes, 0.5 is added to the earned GPA.

SGES does not assign class rank due to the size of each class.

For graduation purposes, we do recognize a valedictorian and salutatorian.

SGES LEADS PROGRAM

The SGES curriculum includes a signature program focused on the school's mission. One afternoon each week is dedicated to helping students develop applicable skills in critical thinking, problem solving, and community engagement through a wide range of speakers, engaging activities, field trips, and programs.

EXPERIENTIAL LEARNING

SGES is a small school in a small town with a global vision for our students' endeavors. Freshmen spend time in the Pacific Northwest hiking, kayaking, and learning about art and culture. Sophomores travel to Boston for a trip focused on history. Juniors travel to the Southwest for a trip emphasizing environmental science. Seniors spend a week in Spain for language and cultural immersion. Students are strongly encouraged to travel domestically and internationally with experiential learning in mind.

SGES CURRICULUM & COURSES

All courses offered by SGES are listed below; not all courses are offered every year. All non-AP classes are considered college preparatory; therefore, we do not offer any honors sections. For all AP classes, 0.5 is added to the earned GPA. SGES offers 13 AP and 3 DE courses. Students enrolled in an AP course must sit for the corresponding AP exam. In general, scheduling conflicts prevent students from taking every AP class offered; **most students will graduate with an average of seven AP courses, and no more than eight or nine AP courses.**

The SGES Class of 2026 had a total of 13 AP and 3 DE courses offered; special permission was required to take more than nine AP courses (1 as a freshman, 1 as a sophomore, 3 as a junior, and 4 as a senior). In 2025, SGES students took 115 AP exams with 73% of students scoring a 3 or above.
