October 29, 2025

Parents and Guardians,

As we enter November, we begin the time of year where snow, inclement weather, and eLearning days are upon us. At the elementary level, our day will look similar to last year, but I hope you find it to be a more positive and educational experience for our students and families.

Below, please find the schedules that our classroom teachers and specialists will follow to meet with students online. Each session with a classroom teacher will last 45-60 minutes and specialists 30 minutes. Students are welcome to join multiple sessions. Sessions will be optional for students, but we want to give them as many opportunities as possible to connect with our staff. Teachers will also be available throughout our typical school hours to answer emails and return calls. Attendance will be taken according to the assignments that are completed on our newly revised choice boards. Also, a reminder that early out days **will not** have eLearning.

CLASSROOM TIMES:

Preschool and Kindergarten: 11:00 & 2:00

1st Grade and 2nd Grade: 10:00 & 1:00

3rd Grade, 4th Grade, 5th Grade: 9:00 & 12:00
