HOW WE GRADE

GPA's are computed with letter grades only. A "pass" grade (P) satisfies course requirements, but is not calculated in GPA.

All course grades are **unweighted**. Per School Board policy, **Shorecrest does not rank**.

When carrying up Algebra, Geometry or World Language grades from middle school, a student may choose between a "P" or a letter grade.

There are 11 standard letter grades Shorecrest students may receive for GPA value. There are no A+ or D- grades.

A 'Pass' may be given to a Multi- Language Learner (MLL) and students with an IEP who earned a 50% or higher in a class based on assigned work.

POINTS OF PRIDE

Shorecrest High School boasts a rich musical tradition with diverse programs featuring over 200 talented students annually. These programs include symphonic and stage bands, bagpipers, orchestras, and select vocal ensembles. A standout in our musical tradition is the marching band, which has been honored in Victoria, British Columbia, where they placed 1st among high school bands and claimed the title of "Best Overall Band." At Shorecrest, our music programs embody our students' dedication, talent, and community spirit.

Awards: 10 to 12 students annually participate in audition-based Washington State All-State Honor Band and Honor Choir.

Engineering and Robotics: Multi-faceted hands-on college- and career-preparatory courses taught by civil and environmental engineers in state-of-the-art several thousand-square-foot lab with laser cutter, wind tunnel, 3-D printer and other high-tech equipment. Awards: 12 to 15 Technology Student Association (TSA) team members compete nationally each year, and host local tournaments and day camps for younger students.

Hip Hop: Varsity and JV squads of 20 dancers each compete year-round, winning 15 district (2004-2019); nine state (2006-2020, including 2020 virtual season); and four national titles (2010-2019). Students fundraise for travel tournaments by hosting regional “Physical Poetry” dance invitational.

Drama/Theater Arts: Acclaimed productions featuring 40-60 student casts, supported by stage crews of 40- 60, showcase one musical and one full- length play yearly in our on-campus 451-seat Performing Arts Center. Co-curricular program teaches hands-on theater technology involving venue’s full fly professional lighting and sound systems with control booth; concert shell; green rooms and separate Black Box theater.

Large productions feature full-scale musicals with student pit orchestra, professional choreographers teaching dance intensives, with student set-builders, costume designers and make-up artists. Accolades: 4-5 graduates go on annually to BFA programs while 10 continue at a conservatory or perform professionally.
