Top 25 Percent: Comparative Closing the Gaps

Postsecondary Readiness

Mission Statement

At Central Middle School, we're all about creating a vibrant, safe, and nurturing environment where every student can soar to success! We believe in the amazing potential of every learner and harness the power of innovation and technology to prepare for an ever-changing world. Our dedicated staff strives for excellence every day, and we actively encourage parents to join us in this exciting journey. Together, we empower and prepare our students for a bright and successful future!

Vision

Central Middle School is where dreams take flight! We empower our students to achieve greatness, become 21st-century critical thinkers, and thrive in a safe, inclusive environment. We embrace the belief that all students can learn and grow, unlocking their fullest potential. Let's create a future full of possibilities!

Comprehensive Needs Assessment

Demographics

Demographics Summary

Central Middle School is located in Weslaco, Texas. Central Middle School serves 6th-8th grade level students; the breakdown by grade level is as follows:

6th grade-324 students

7th grade-339 students

8th grade-387 students

Total Number of Students: 1050

1050 students (97%) are Hispanic

27 students (2.5%) are White

1 student is African American

4 students are Asian

Central Middle School serves the following special populations:

201 students (18.5%) are Emergent Bilingual

119 students (11%) are Special Education

114 students (11%) are Gifted and Talented

10 students are Migrants

According to the latest TAPR report, Central Middle School has 87 staff members, 79 professional staff members, 66 teachers, and 7 professional aides. 49% of the teachers have more than 10 years experience.

Note: Data is from the latest TAPR report and update is forthcoming.

Demographics Strengths

- In 2016-17 and in 2017-2018 school years, Central Middle School earned 7 out of 7 academic distinctions in the following areas: reading, social studies, math, science, top 25% student progress, top 25% closing performance gaps and post secondary readiness.
- In 2018-19 school year, Central Middle School earned 5 out of 7 academic distinctions in the following areas: reading, science, math, social studies and postsecondary readiness.
- In the 2021-2022 school year Central Middle School earned 5 out of 7 academic distinctions in the following areas: Academic Achievement in Mathematics, Academic Achievement in Science, Comparative Academic Growth, Comparative Closing the Gaps, and Postsecondary Readiness.
- In the 2024-2025 school year, Central Middle School earned 6 out of 7 academic distinctions in the following areas: Academic Achievement in Reading Language Arts, Academic Achievement in Math, Academic Achievement in Science, Top 25% Comparative Academic Growth, Top 25% Comparative Closing the Gaps and Post Secondary Readiness.

Problem Statements Identifying Demographics Needs

Problem Statement 1: Students in the special education program in all grade levels are struggling to pass their STAAR assessments at the same rate as general education students.

Root Cause: There is a learning gap between the required knowledge to be successful and their cognitive ability. STAAR Curriculum is not aligned to their learning level.

Student Learning

Student Learning Summary

Central Middle School has earned an A Rating from TEA and is successful on STAAR and TELPAS assessments. Students do well earning high proficiency levels on assessments. These high levels of proficiency qualify students for advanced academics, such as, English 1, Algebra 1 and Honors Math. Central Middle School is focused on providing every student with a rigorous and relevant education which aims to develop critical-thinking skills and enables all students to become active participants in their own learning through student-centered instruction.

Student Learning Strengths

Central Middle School is the top middle school in Weslaco ISD.

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): There is a need for more students to pass their STAAR exams and demonstrate academic growth in the area in which they failed.

Root Cause: HB1416 mandates students receive 15/30 hours of accelerated instruction in the subject area in which they failed.

Problem Statement 2: Students in the special education program in all grade levels are struggling to pass their STAAR assessments at the same rate as general education students.

Root Cause: There is a learning gap between the required knowledge to be successful and their cognitive ability. STAAR Curriculum is not aligned to their learning level.

School Processes & Programs

School Processes & Programs Summary

In the fine arts department, Central Middle School offers band, orchestra, choir, folkloric dance, art and theatre arts classes. Central Middle School students can compete in UIL events based on either academic and athletic programs. Students may participate in advanced academic classes such as Digital Design, Digital Communication, Digital Arts and Animation, English I, and Algebra I if they meet the criteria. Eighth grade students can also take Spanish I and earn high school credit. The following sports are offered to 7th and 8th grade students: soccer, basketball, volleyball, softball, baseball, football, tennis, swimming, and golf.

Central Middle School students are scheduled into four core area and two elective classes. Core classes are 90 minutes in length and elective classes are 45 minutes in length. The core subject area teachers meet twice a week for department planning staff development and twice a month for a technology staff development. Each teacher also has a conference period that is utilized to work on lesson and assessment design, analyze data, examine instructional strategies to improve student performance. Central Middle School teachers use a wide array of technology in the classroom. Our campus is one to one campus, providing every student with a Chromebook to enhance learning. Students are able to bring and utilize their own electronic devices. They are able to access the Internet throughout the building. Classroom teachers are able to determine the use of the student devices in their classrooms. Technology found at Central Middle School include teacher-issued laptops, desktops for classroom, Chrome books for staff and student use. Central Middle School has one Instructional Coach that provides technology support and technology staff development.

School Processes & Programs Strengths

- Core teachers meet in grade level meetings once a week to plan and develop common formative and summative assessments, lesson design, interventions and data analysis.
- Teachers implement best practice instructional strategies to increase student engagement.
- Teachers compile data binders to increase student performance.
- Teachers and students have a wide array of technology available.
- Chromebooks are provided for each student to use in the classroom which leads to wider technology access and educational implementation of technology.
- Consistent replacement of technology ensures access to up-to-date hardware and software for educational purposes.
- Vertical alignment is present in core subjects.
- Teachers implement the use of TEKS resource system and follow the scope and sequence and Year at a Glance and the Instructional Focus Development Plan.
- English I, Algebra I, Geometry and Spanish I are advanced courses available to 8th grade students who meet the criteria.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1 (Prioritized): We need to provide additional incentives for students who follow the student code of conduct accordingly in order to reduce student discipline

referrals.

Root Cause: Students do not understand the consequences that follow negative choices.

Perceptions

Perceptions Summary

Central Middle School teachers and staff are treated to a monthly social which promotes a positive culture and climate. The teachers receive goodies and treats for a week during Teacher Appreciation Week and during different seasons. In addition, Central Middle School spotlights administrators, counselors, social worker, nurses, librarian and instructional coaches during their respective day/week or month.

Central Middle School students have the opportunity to being selected as a "student of the month" within their team. Benchmark celebrations are held to recognize students who earn the meets or masters designation on their benchmark exams. The students that earn Latin Honors criteria participate in the end of the year awards assembly. In addition, students work is highlighted in an Author's Wall and Wednesday Writing. Selected students publish their writing and display it on the bulletin board. All of these celebrations and awards promote a positive culture and climate at school.

An end of year sports assembly recognizes athletes and their accomplishments. The campus librarian highlights both staff and student for participation in various spirit and themed events. Pizza parties are also provided for classrooms that had the most participation in various events held throughout the year. Families who donate uniforms to those in need on campus are also rewarded.

Perceptions Strengths

- Teacher of the Month/Employee of the Month
- Teacher Appreciation Week Goodies and Treats
- Student of the Month
- Latin Honors Recognition
- End of the Year Awards Assembly
- Author's Wall
- #Wednesday Writing
- Sports Awards Assembly
- Attendance Shout-outs & Celebrations

Priority Problem Statements

Problem Statement 1: There is a need for more students to pass their STAAR exams and demonstrate academic growth in the area in which they failed.

Root Cause 1: HB1416 mandates students receive 15/30 hours of accelerated instruction in the subject area in which they failed.

Problem Statement 1 Areas: Student Learning

Problem Statement 2: We need to provide additional incentives for students who follow the student code of conduct accordingly in order to reduce student discipline referrals.

Root Cause 2: Students do not understand the consequences that follow negative choices.

Problem Statement 2 Areas: School Processes & Programs

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus goals
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)
- Planning and decision making committee(s) meeting data
- State and federal planning requirements

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Accountability Distinction Designations

Student Data: Assessments

- State and federally required assessment information
- STAAR End-of-Course current and longitudinal results, including all versions
- STAAR Emergent Bilingual (EB) progress measure data
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Local benchmark or common assessments data

Student Data: Student Groups

- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Special education/non-special education population including discipline, progress and participation data
- Migrant/non-migrant population including performance, progress, discipline, attendance and mobility data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Emergent Bilingual (EB) /non-EB data, including academic achievement, progress, support and accommodation needs, race, ethnicity, gender etc.
- Career and Technical Education (CTE) Programs of Study data including completer, concentrator, explorer, participant, and non-participant achievements by race, ethnicity, gender, etc.
- Section 504 data
- Gifted and talented data

Student Data: Behavior and Other Indicators

- Attendance data
- Mobility rate, including longitudinal data
- School safety data

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data

Parent/Community Data

- Parent surveys and/or other feedback

Support Systems and Other Data

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Budgets/entitlements and expenditures data

Goals

Goal 1: STUDENT SUCCESS/LITERACY FOCUS-High-quality, engaging, and innovative programs that develop college, career, and service ready leaders.

Performance Objective 1: By Spring 2026, the number of students who score at the approaches grade level on the Social Studies STAAR Assessment will increase from 57% to 61%. Students who score at the Meets Grade Level on the STAAR Assessment will increase from 30% to 34%. Students who score at the Masters Grade Level will increase from 16% to 20%.

Evaluation Data Sources: STAAR Data

Strategy 1 Details	Reviews			
Strategy 1: STRATEGY 1 - CURRICULUM: Ensure the success of ELs, SPEDs, and General Population by: A) Reinforcing/spiraling social studies skills by using a variety of resources such as, but not limited to: ---Google Classroom, ---Saavas Realize, ---Jarret's Mastering the TEKS ---Lowman Essentials ---Sirius STAAR Prep ---EdPuzzle ---Wizer.me ---Kahoot/Quizalize/Quizizz/etc... ---Quizlet ---No Red Ink ---#WednesdayWriting Strategy's Expected Result/Impact: Improved performance for all populations on NWEA tests, benchmarks and on the STAAR. Staff Responsible for Monitoring: -Social Studies Teachers -District Social Studies Strategist -Campus Administration TEA Priorities: Build a foundation of reading and math, Improve low-performing schools - ESF Levers: Lever 1: Strong School Leadership and Planning, Lever 2: Strategic Staffing, Lever 3: Positive School Culture, Lever 4: High-Quality Instructional Materials and Assessments, Lever 5: Effective Instruction	Formative			Summative
	Nov	Jan	Mar	June

Strategy 2 Details	Reviews			
Strategy 2: STRATEGY 2: TECHNOLOGY Ensure the success of ELs, SPEDs, and general population by: A) Using the Chromebooks to enhance learning in the classroom. B) Implementing high interest games/activities, to differentiate and emphasize key concepts that ensure students have the opportunity to master what is being taught/learned in the classroom (example, but not limited to: Peardeck, Quizizz, Kahoot, edpuzzle, Blooket, Decktoys, etc. C) Use STRIVE to access student data and track student data to drive the curriculum. D) Using TEKS Resource to help us create Graphic Organizers that focus on concepts to be covered. Strategy's Expected Result/Impact: Improved performance for all populations on CBAs, benchmarks, and on the STAAR. Staff Responsible for Monitoring: -Social Studies Teachers -Strategist -Social Studies CIFs -Campus Administration	Formative			Summative
	Nov	Jan	Mar	June

Strategy 3 Details	Reviews			
Strategy 3: STRATEGY 3 - INTERVENTIONS: Ensure the success of ELs, SPEDs, and general population by: A) Incorporating teaching and learning strategies to enhance the understanding of social studies concepts and literacy through: ---Word Walls/Digital Word Banks ---Anchor Charts ---Document Based Questions (DBQ) which require students to work with primary & secondary documents and use higher-level thinking skills to use this information to defend a thesis. ---Writing in the classroom (No Red Ink) ---PowerPoint Lessons & Guided Notes ---Webquests ---Integrate Reading Passages ---Interactive Notebooks ---Historical Fiction Read Alouds ---Engaging Historical Videos B) Integrating extended day to provide remediation of Social Studies knowledge. C) Offering a Saturday School STAAR Power Camp to reinforce the TEKS. D) Reiterating the importance of writing across the curriculum by integrating Hashtag Writing Wednesdays (Central M.S. writing initiative). E) Regularly monitor STRIVE data to see where growth is being made and where it is we need to focus on to fill-in the gaps. Strategy's Expected Result/Impact: Improved performance for all populations on CBAs, benchmarks, and on the STAAR. Staff Responsible for Monitoring: -Social Studies Teachers -District Social Studies Strategist -Social Studies CIFs -Campus Administration TEA Priorities: Improve low-performing schools - ESF Levers: Lever 1: Strong School Leadership and Planning, Lever 2: Strategic Staffing, Lever 3: Positive School Culture, Lever 4: High-Quality Instructional Materials and Assessments, Lever 5: Effective Instruction Funding Sources: - 164 - State Comp. Ed. [SCE] - \$1,331	Formative			Summative

Strategy 2: Provide training and support for digital learning and focus on digital safety, digital citizenship and cyber bullying. Provide conferences and support for students in need of SEL support. Students will be given the opportunity to participate in anti cyber bullying month through various activities throughout the school. Analyze data from schoolwide panorama survey that includes data from students and staff. Strategy's Expected Result/Impact: Students will decrease cyber bullying, increase positive learner behaviors to ensure resiliency for a better future. Establish and maintain a strong, positive relationship for all students. Staff Responsible for Monitoring: Counselors/Social Worker TEA Priorities: Recruit, support, retain teachers and principals, Improve low-performing schools - ESF Levers: Lever 1: Strong School Leadership and Planning, Lever 3: Positive School Culture - Targeted Support Strategy - Additional Targeted Support Strategy - Results Driven Accountability	Formative			Summative
	Nov	Jan	Mar	June

Strategy 3 Details		Reviews			
Strategy 3: Counselors will provide professional development in order to promote awareness and up to date information on emergent bilingual students and students experiencing difficulty due to SEL issues. Various trainings, staff development, and as needed conferences. Monthly review of EB students who fail one or more core classes. Advocate for students at 504, ARD, and LPAC meetings to ensure individual needs are being met. Strategy's Expected Result/Impact: Provide the knowledge to assist students with their educational and SEL goals. Increase learner awareness of SEL resiliency and coping skills. Staff Responsible for Monitoring: Counselors/Social Worker/Administration TEA Priorities: Recruit, support, retain teachers and principals, Improve low-performing schools - ESF Levers: Lever 1: Strong School Leadership and Planning, Lever 3: Positive School Culture - Targeted Support Strategy - Additional Targeted Support Strategy - Results Driven Accountability		Formative			Summative
		Nov	Jan	Mar	June
Strategy 4 Details		Reviews			
Strategy 4: Provide opportunities for learners to experience and be provided with information regarding post secondary pathways and education. Students will be provided guidance in planning for HS, ECHS, and post secondary goals. Consult with administration and staff to schedule and present school counseling curriculum lessons based on needs identified through panorama which include career readiness, post secondary education and social emotional awareness. Strategy's Expected Result/Impact: Students will be provided the opportunity to attend field trips, speakers, and have awareness of the selection of different pathways at the HS level. Students will have guidance in academics and social emotional awareness. Staff Responsible for Monitoring: Counselors/Social worker TEA Priorities: Recruit, support, retain teachers and principals, Connect high school to career and college, Improve low-performing schools - ESF Levers: Lever 1: Strong School Leadership and Planning, Lever 3: Positive School Culture - Targeted Support Strategy - Additional Targeted Support Strategy - Results Driven Accountability		Formative			Summative

#Writing Wednesday
Imagine Math
Word Wall
Bluebonnet/Mathia

SCIENCE
1.(a) Teachers will use probing questions to clarify and extend science vocabulary.
(b) Teachers will promote student to interpret maps, graphs, and charts to address individual needs.
(c) Teachers will promote student understanding of cycles and systems.
To assure success, the following will be incorporated:

Google Classroom
Google Slides
Scientific Method
Task Cards
TEKS Resource System (Vocabulary)
Edpuzzle
Wiseme
McGraw Hill (Workbooks and Textbooks)
Flipgrid
Youtube videos
#Writing Wednesday
Word Wall

SOCIAL STUDIES
1.(a) Teachers will use probing questions to clarify and extend social studies vocabulary.
(b) Teachers will promote critical thinking skills for students' understanding of chronological order of historical events.
(c) Teachers will promote reading and writing skills to increase students' connections to culture and government
To assure success, the following will be incorporated:

Google Classroom
Edpuzzle
Flipgrid
Youtube videos
CNN Student News
DBQ (Data Based Questions)
Timelines (putting events in order)
Flocabulary
TEKS Resource System
Word Walls
#Writing Wednesday
No Red Ink (Cross Curriculum)

Strategy's Expected Result/Impact: Increased performance for Special Education populations in teacher-made assessments, district benchmarks, and STAAR assessments in state- mandated grade-level subjects
Staff Responsible for Monitoring: Special Education Teachers, Support Staff, Administration

TEA Priorities:
Build a foundation of reading and math

Goal 1: STUDENT SUCCESS/LITERACY FOCUS-High-quality, engaging, and innovative programs that develop college, career, and service ready leaders.

Performance Objective 14: By Spring 2026, 100% of the students will achieve mastery in the Spanish I course. Students will be able to hold a conversation with other Spanish speaking peers inside the classroom.

Evaluation Data Sources: Teacher observations, Checkpoints/Checklists

Strategy 1 Details	Reviews			
Strategy 1: Strategy 1: Curriculum - a) Students will listen to, repeat after, and imitate speech by teacher and other speakers of Spanish. They will hear and emulate native pronunciation and intonation as they increase their listening comprehension and speak with vocabulary appropriate for Spanish I b) Students will read textbook, websites, periodicals to gain reading comprehension skills, such as decoding cognates and Latin derivatives. They will discuss by answering oral or written questions. c) Students will learn writing skills including spelling and punctuation in Spanish. They will be able to discern incorrect spelling in printed material. d) Students will learn about culture of Spanish-speaking people in Mexico and other Spanish-speaking countries and learn of Spanish speakers in this country. They will learn related history, geography, art, and other aspects of culture as they have affected our students and as they affect current events. They will learn of famous people from other countries and eras and will also learn how culture, education, and language can affect career opportunities. Goal 2: POSITIVE LEARNING ENVIRONMENT-Safe, secure, drug-free, technology-rich and inviting environments district-wide that promote high performance.

Performance Objective 4: Staff was trained on Bloodborne Pathogen to decrease spread of germs and Stop the Bleed to aid in an emergency. This will help decrease stress on what needs to be done in an emergency and in turn makes students feel safe on campus. Campus will provide health and safety information on the Nurse's section on the campus website for parents and staff.

High Priority

Evaluation Data Sources: Staff has been given a training on the following topics: Stop the Bleed, Bloodborne pathogens, Narcan, Asthma [EpiPen use], Seizures, Diabetes, AED. and the importance that anyone in an emergency can call 911. It does not have to be the nurse as the nurse can be the one in need of 911. Nurse section on the Central Middle School website has information in reference to When to keep child home, forms like Asthma Management Plan, Diabetes, Special Diet and some policies, information on meningitis, covid, cold/flu, immunizations, and nurse contact information. The campus nurse follows CDC, TEA, and district guidelines to ensure student and staff safety.

Strategy 1 Details		Reviews			
Strategy 1: Provide staff training during department planning on communicable diseases such as the flu/covid and common cold; bloodborne pathogen, stop the bleed, asthma, seizures, diabetes, AED, Narcan Send emails and include in Campus News Letter tips on signs & symptoms of an illness; when to stay home; how to decrease stress... Strategy's Expected Result/Impact: decrease the number absences even by 1 Staff Responsible for Monitoring: nurses, parents, staff and campus administration		Formative			Summative
		Nov	Jan	Mar	June
 No Progress  Accomplished  Continue/Modify  Discontinue					

Goal 3: PARENT-COMMUNITY-BUSINESS-INDUSTRY PARTNERSHIPS-Exceptional community service, open communication, and positive collaboration for student success.

Performance Objective 1: In an effort to ensure student success, the campus Social Worker, Parent Specialist, and other campus personnel, will strengthen and increase our parent and community engagement in schools by 5%. We will inform parents, families and the community of Title I Part A requirements by hosting monthly meetings to discuss the following: parent portal, report cards, reading levels, attendance, campus safety precautions, drugs and substance abuse awareness for parents, mental health, bullying, college and career readiness, financial planning, STAAR tests, Dual Enrollment, TSI testing and resources,.

High Priority

HB3 Goal

Evaluation Data Sources: Monthly Meetings, Parent sign-in sheets, Parent surveys & Evaluations

CCNA Probing Questions

Demographics

Demographics refer to the characteristics or makeup of the school and help us understand who we are currently working with and how we implement strategies, initiatives, programs, and services to meet their needs.

Demographics

Potential Data Types

- At-Risk by Category
- Attendance
- College, Career, and Military Readiness (CCMR)
- College/University/Dual Credit/Advanced Placement Enrollment
- Course/Class Assignments
- Enrollment
- Ethnicity
- Gender
- Mobility/Stability
- Rates of Graduation, Completion, and Dropouts
- Special Program Participation
- Teacher-Student Ratios

1. What do enrollment numbers indicate?

We are at max capacity on enrollment and the upward trend continues.

2. What is the breakdown of students by ethnicity, gender, or other category?

1066 Students Total
1033 Students are Hispanic 97%
26 Students are White 2%
6 Students are Other Ethnicities 1%

3. How has the enrollment changed over the past three years?

Mobility in the district has reflected that students from other Weslaco ISD campuses request to enroll here as well as from other districts in neighboring cities due to our open enrollment status.

11. What are the staff demographics?

Staff is representative of the student population background, majority are Hispanic.

12. What are the teacher-student ratios? How do these ratios compare to performance?

30:1

4. What is the number of students in each special program? What is the breakdown by ethnicity, gender, or other category? Are we over- or underrepresented in certain groups? Why?

115 SPED Students 11%

550 At Risk Students 52%

119 GT Students 11%

12 Migrant Students 1%

739 Economically Disadvantaged Students 69%

5. What are the data for special programs over time?

Remained consistent

6. What do the data reflect regarding students who exit from special programs? How many? Who are they? What trend or pattern do we see?

Very few students get removed from Special Programs.

7. Who are our at-risk students? What is their at-risk category?

Homeless

Single Parent Homes

Incarcerated Parents

Migrant Students

Retained Students

7. Who are our at-risk students? What is their at-risk category?

550 At Risk Students 52%

8. Who are our migrant students?

12 Migrant Students 1%

9. What is the mobility rate for this campus? What is the stability rate? How are these numbers represented for migrant students?

Will gather data.

10. What area of the community do these students come from?

Due to open enrollment our at risk students come from all parts of Weslaco and neighboring cities such as Donna, Elsa, Mercedes, Edinburg.

CCNA Probing Questions

Student Achievement

Student Achievement data are the annual and longitudinal reviews from varied sources of formal and informal data. These data provide insights about the degree to which students are acquiring the knowledge and skills expected for each grade level.

Student Achievement

Potential Data Types

- Advanced Course/Dual Enrollment Data
- College, Career, and Military Readiness (CCMR)
- College Entrance Exams
- College/University/Dual Credit/Advanced Placement Enrollment
- Course/Class Assignments
- Course/Class Grades
- Graduation Plan Types
- Rates of Graduation, Completion, Certificates of High School Equivalency and Dropouts
- Results Driven Accountability (RDA)
- Standardized, Norm-Referenced, Criterion-Referenced Tests and Measures
- State Assessment Data
- State and Local Student Assessment Data Tables
- Texas English Language Proficiency Assessment System (TELPAS) Results
- Texas Success Initiative (TSI) Data

1. How are student achievement data disaggregated?

Reports are run on Eduphoria Aware and DRS
Look at growth history
Share data during department meetings
Lead4ward tool

2. What do the data indicate when disaggregated by ethnicity, gender, socioeconomic status, special program, or other category?

Special pops tend to score lower, they need additional assistance.

3. What do the data indicate when disaggregated at various levels of depth?

Certain concepts where students perform low are due to the loss of instruction during covid. Foundational skills lacking.

4. How do student achievement data compare from one data source to another?

Misalignment in growth between NWEA and STAAR

Expectations and how it is presented

Some data sources may not be aligned to STAAR

Data skewed if we don't compare apples to apples

5. In which areas are we showing growth? At what rate? Compared to which standard of achievement?

Growth- RLA and Math Benchmark scores

Writing overall is doing better because now it is expected across the board on STAAR

6. Which students are making progress? Why?

EB based on last year's TELPAS data

Call in students every 6 weeks to review academic progress

7. What impact are intervention programs having on student achievement?

Which students are benefiting and which are not? Why? Why?

TCLAS

8. What do the longitudinal student achievement data indicate?

Dip during COVID, gains faster in RLA and math.

9. What do the data reflect within and among content areas?

RLA is excelling at a faster rate than other subject areas.

10. Which students are making annual progress? Which ones are making projected growth? Who are these students? How does this data compare across programs, content areas, subgroups, etc.?

Bilingual students/ TELPAS across the board.

CCNA Probing Questions

Staff Quality, Recruitment, and Retention

Staff Quality, Recruitment, and Retention refers to the school organization's level of high-quality, highly effective staff, particularly in high-poverty schools. This area is also focused on assessing the effect of recruitment and retention strategies on staffing patterns.

Staff Quality, Recruitment, and Retention

Potential Data Types

- Course/Class Completion, Grades and Other Data
- Paraprofessional and Other Staff Qualifications
- Professional Development Data
- Rates of Graduation, Completion, Certificates of High School Equivalency and Dropouts
- Recruitment and Retention Rates and Other Data
- Special Program Qualifications (Bilingual/ESL, Special Education, etc.)
- Staff Mobility/Stability
- Teacher Certification/Qualification Data
- Teacher-Student Ratios
- Texas Teacher Evaluation & Support System (T-TESS) and other Staff Effectiveness Data

1. What are the qualifications and certifications of our teachers? Paraprofessionals?

All teachers are highly certified and meet state requirements.

2. What do the general data reflect regarding teacher quality on the campus?

Student data demonstrates our achievement is above average. This is a reflection of high quality staff on our campus.

3. How are follow-up data regarding teacher performance provided to teachers?

We follow district T-TESS guidelines accordingly. Feedback is immediately provided.

4. How are we recruiting highly qualified and effective staff?

Job Fair
Online Posts
Filter for high quality candidates

5. What is our staff attendance rate? Retention rate? Turnover rate?

Attendance Rate- Good
Retention Rate- Good
Turnover Rate- Low

6. Are teacher placements strategically based on student need and teacher strengths?

Yes

7. What is the impact of our teacher mentor program?

Central office assigned a staff member to mentor new to district teachers.
Department heads are available to assist with guidance to teachers in their department.

8. What ongoing support is provided to staff? (e.g., administrative observation, performance coaching and individualized professional development plan.)

Administration meets with staff by grade levels and departments
Staff development sessions held regularly

9. What systems are in place to build capacity and support continuous improvement?

SBDM Committee
Monthly faculty meetings
CIP team
Department meetings

10. How are we using data to determine professional development for staff?

Analyze low scoring TEKS on Benchmark to identify student needs
Stay up to date with TEA updates

11. How are collective and individual decisions regarding professional development determined?

Central office, surveys

12. What types of professional development have staff members attended? How is implementation monitored? What impact has it had on performance? What is the follow-up?

Regular PLC's
Various Region One staff development trainings
Strategists

CCNA Probing Questions

Curriculum, Instruction and Assessment

Curriculum, Instruction, and Assessment collectively describe the teaching, learning, and assessment materials and resources available for a given course of study. These are aligned with the Texas Essential Knowledge and Skills (TEKS) and other standards, incorporating instruction and assessment processes.

Curriculum, Instruction, and Assessment

Potential Data Types

- Class, School, and Special Program Schedules
- Collaborative Horizontal and Vertical Team Alignment Processes
- Common Benchmark Assessments and/or Other Assessments
- Enrichment Course/Class Materials
- Foundation Course/Class Materials
- Instructional Design/Delivery
- High-Yield Strategies
- Lesson Study/Delivery Processes
- Scope and Sequence, Pacing Guides, and Other Focus Documents
- Standards-Based Curriculum Resources and Materials
- Student Misconceptions
- Student-Specific and Differentiated Strategies and Processes
- Technology

1. What evidence exists to determine if the curriculum is clearly linked to the TEKS and other standards for student learning?

- 1: TEKS Alignment: Check if lessons plans & lessons match the TEKS standards.
- 2: Scope and Sequence: Check to ensure they match using TEKS Resources YAG-6 Weeks.
- 3: Clear Objectives: Make sure each lesson clearly states what students should learn.
- 3: Aligned Assessments: Confirm tests and quizzes match what TEKS expects students to know.
- 4: Student Work Samples: Analyze for TEKS mastery.
- 5: Professional Learning Communities (PLCs): Collaborate on TEKS alignment.
- 6: Student Understanding: Look at student work to see if they grasp the concepts being taught.

2. Is the the curriculum structured in logically sequenced units of instruction?

Yes, if we follow TEKS Resources, the curriculum is typically structured with logically sequenced units of instruction. TEKS Resources provides a framework for organizing content and skills, ensuring a cohesive progression in student learning.

3. How is data used to inform curriculum, instruction, and assessment decisions?

Data guides curriculum, instruction, and assessment decisions by:

- 1: Analyzing assessment results to adjust teaching priorities.
- 2: Evaluating curriculum effectiveness based on performance data.
- 3: Tailoring instruction to meet diverse student needs.

4. How are instructional strategies and activities aligned with student learning needs and expected outcomes for achievement? How consistent is this across the district/school? What is the impact on specific student groups?

- Instructional strategies align with student needs by: differentiating instruction, using assessment data for adjustments, scaffolding, technology integration, and feedback & reflection.
- Consistency varies depending on leadership support, professional development, curriculum alignment, teacher collaboration, etc.
- The impact varies but is positive: Equity for all, providing needed assistance to SPED's and ELL's C., and challenging GT Students

5. How are curriculum, instruction, and assessment aligned with College and Career Readiness Standards?

In our curriculum, each Texas Essential Knowledge and Skills (TEKS) standard incorporates College and Career Readiness elements, guiding content development to build necessary skills for students' future success. Teachers implement this curriculum through aligned instruction, and assessments measure how well students are learning the material.

6. What evidence supports the classroom instruction incorporates rigorous, high-quality experiences that promote critical-thinking skills with differentiated and scaffolded supports for students?

- 1: Lesson Plans: Detailed plans integrating critical-thinking activities with support for diverse learners.
- 2: Student Work Samples: Examples showing application of critical-thinking skills with scaffolded supports.
- 3: Assessment Items: Tests or projects assessing critical thinking, accommodating diverse learners.
- 4: Student Reflections: Student reflections on critical-thinking processes, acknowledging support.

7. How do instructional design and delivery maximize student engagement and a positive learning climate?

Instructional design emphasizes relevance, making lessons meaningful, and using diverse teaching methods. Clear objectives clarify learning goals, technology enhances experiences, and collaboration promotes teamwork. Differentiation tailors instruction, boosting engagement and meeting individual needs.

8. What processes are in place to assure instructional materials include resources intentionally designed to meet the needs of specific student groups?

Processes to ensure instructional materials meet specific student needs:

- 1: Data-Informed Decision Making: Using student data to improve materials.
- 2: Ongoing Evaluation: Continuously assessing material effectiveness and making adjustments.
- 3: Professional Development: Training educators to use materials effectively.
- 4: Differentiation Resources: Offering extra materials for diverse learning styles.

9. What evidence supports the effectiveness of evidence-based interventions to address learning gaps of struggling students? Which students need this type of instruction?

We utilize various evidence-based interventions such as Sirius, Problematic, Wizer, and Google Forms to address learning gaps. These interventions enable personalized instruction, benefiting struggling students, particularly those with diverse learning needs, by providing materials in formats beyond traditional methods.

10. Is there evidence that assessments are aligned with clearly specified and appropriate achievement expectations? Do benchmarks align to state standards and the appropriate level of rigor?

Yes, there is evidence that assessments are aligned with clearly specified and appropriate achievement expectations. Benchmarks, such as released STAAR exams, align closely with state standards and maintain the appropriate level of rigor.

11. How do we know assessments are designed, developed, and used in a fair and equitable manner that eliminates biases? How do students perceive these assessments?

Assessments are designed, developed, and utilized in a fair and equitable manner to eliminate biases, ensuring alignment with tested TEKS curriculum. Students' perceptions are gauged through vocal feedback, ensuring alignment and fairness.

12. How does the scope of assessments provide a comprehensive and representative sampling of student performance that allows for confident conclusions about achievement?

The scope of assessments ensures a comprehensive and representative sampling of student performance across the entire student body, guaranteeing a variety of test results and allowing for confident conclusions about achievement.

CCNA Probing Questions

Parent, Family, and Community Engagement

Parent, Family, and Community Engagement refers to how these stakeholders are informed, invested, and involved as partners in supporting the school community to maintain high expectations and high achievement for all students.

Parent, Family, and Community Engagement

Potential Data Types

- Community Service Agencies and Support Services
- Demographic Data
- Family and Community Participation Counts by Type of Activity
- Mobility/Stability
- Parent Activity Evaluations and Feedback
- Parent and Community Partnership Data
- Parent Volunteer Information

1. What evidence exists that families and community members are involved in meaningful activities that support students' learning?

Morning and afternoon parent meetings
 Parent Volunteers
 Band Boosters
 Donations
 Community Events
 Pep Rallies

2. What are the activities? Which parents and community members are involved? What trends and patterns do we observe?

Higher academic scores are a reflection
 High participation in various events
 Remind App, Google Calendar and Classroom, Social Media is useful to reach out to parents

3. How are families and the community members involved in school decisions?

School compact policy parent meeting- establishes parents expectations to hold parents involved and accountable at the beginning of the year

4. What types of services are available to support families, community members, and students to encourage healthy family relationships?

Parent engagement department provides uniforms
McKinney Vento act provides homeless students with school supplies, clothes, utility bills, etc

School hosts events for parents to participate with their students such as band banquet, etc.

5. If families speak languages other than English, what are those languages? How does the school communicate in those languages?

Spanish speaking parents receive translation services as needed.

6. What types of services are available to support students in special programs? What are the results?

Sped social workers
Child Find Evaluation process

7. What types of community partnerships exist to support families and students?

Peter Piper and Mr Gattis back to school initiative
Melhart shirt donations to band
Instrument donations by local community organization
Gift cards donated by various businesses within the city.

CCNA Probing Questions

School Context and Organization

School Context and Organization refers to the processes, structures, decision-making, and overall leadership aspects of the organization, including how these areas address quality teaching and learning.

School Context and Organization

Potential Data Types

- Communication: Formal and Informal
- Decision-Making Processes
- Duty Rosters
- Leadership: Formal and Informal
- Master Schedule
- Program Support Services (Extracurricular Activities, After School Programs, etc.)
- Schedule for Student Support Services (Counseling, Social Work, Library, etc.)
- School Map and Physical Environment
- School Structure (Teaming, Looping, etc.)
- Supervision Structure
- Support Structures: Mentor Teachers

1. To what degree does the district/school support the organization? How are those supports offered or provided?

Calendar, bell schedules, rotation of off periods, organization of duties, schedules, discussed as a committee.

2. What do the data reflect about classes, schedules, and student/staff teams?

In 8th grade we have 342 students.

We need to take into consideration athletic requirements for scheduling, band, etc. Teaming of 8th grade a consideration.

3. How is adequate time devoted to subjects in which students perform poorly?

TCLAS- limited extended day due to lack of staff

-Interventions- Teachers work as a team

4. How do teachers have a voice in decision-making and school policies?

SBDM Committee

5. What role do teachers have in deciding what assessments will be used to evaluate individual students or the program as a whole?

Major assessments

6. Do school committees and decision-making bodies make it easy for teachers, parents, paraprofessionals, support staff, and students to be heard and, in turn, for all groups to be part of solutions to identified problems?

Yes, we survey staff for concerns to be addressed during SBDM committee meetings.

7. What are the perceptions of students, parents and community about the LEA and campus?

LEA is a resource.

Highly rated campus, lots of parent requests for students to attend Central Middle School.

CCNA Probing Questions

Technology

Technology refers to modeling and applying digital tools and resources for students, staff, and other stakeholders to advance teaching and learning. It should also connect to real-world experiences, including post-secondary opportunities.

Technology

Potential Data Types

- Assessment of Technology Skills for Students, Staff and Other Stakeholders
- Classroom Technology Needs by Area, Class, Department, etc.
- Leadership and Administrative Support Structures for Technology Implementation
- Professional Development/Teacher Preparation Needs in Technology
- Resource Allocations
- Technology Hardware and Software
- Technology Infrastructure, Networks, etc.
- Technology Plan
- Technology Policies and Procedures

1. What technology do we have?

Teachers have district-issued laptops, and projectors, and core teachers have Chromebook carts in the classroom. CTE teachers have clear touch screen computers.

2. How does the design of the network provide for the users it supports?

Every technology connects to the WISD network.

3. What is the technology proficiency of staff and students?

Most teachers are at an intermediate level and students at the 8th grade level would be at an intermediate level as well. Most 6th and 7th are still at the novice level.

4. How does staff feel about technology?

Most staff feel that it is vital and it helps with their lessons.

5. What types of technology professional development have we provided? What was the impact for staff and students?

We have technology tech days to help teachers with the new programs that will help in the core subjects.

6. What are some barriers that potentially prevent effective use of technology?

Not having a tech person on campus to answer and address immediate technology issues.

7. In which content areas are we using technology and how? What is the effect?

All content areas are using technology in their daily lessons.

8. How is technology utilized to support curriculum, instruction, and assessment integration and implementation?

There are programs within each subject area that provides lessons for them to use. Example Imagine math is a technology program for the math department.

9. How is technology used to support students and parents in a virtual learning environment?

School website that provides information for both parents and students.

10. Is the technology user-friendly for students and parents?

Yes

11. Is there a cybersecurity plan in place and systems in place to prevent a cybersecurity breach?

The WISD technology department has a plan for the district.

12. How do we ensure that confidential student level data are secure?

WISD has a plan to help secure student level data.

WESLACO INDEPENDENT SCHOOL DISTRICT

Program Plan Descriptors

319 W. 4th Street / P.O. Box 266, Weslaco, Texas 78599-0266
TEL: 956-969-6914 FAX: 956-969-6867

Weslaco ISD Program Plan Descriptions **Addendum**

To ensure that all children receive a high-quality education, and to close the achievement gap between children meeting the challenging State academic standards and those children who are not meeting such standards, the local education agency (LEA) plan shall include the following 13 descriptions:

Description 1a. ESSA Sec. 1112 (b)(1)(A)

Describe how the LEA will monitor students' progress in meeting the challenging State academic standards by developing and implementing a well-rounded program of instruction to meet the academic needs of all students.

Weslaco ISD utilizes the TCMPC (Updated TEKS Resource System) to guide and implement a well-rounded curriculum program fully integrating HQIM (High-Quality Instructional Materials).

Description 1b. ESSA Sec. 1112(b)(1)(B)

Describe how the LEA will monitor students' progress in meeting the challenging State academic standards by identifying students who may be at risk for academic failure.

Weslaco ISD monitors student learning progress and growth through benchmark testing as well as Beginning of Year and End of Year assessments to monitor and focus on student growth. This allows teachers and administrators to better focus on meeting students' individual learning needs.

Description 1c. ESSA Sec. 1112(b)(1)(C)

Describe how the LEA will monitor students' progress in meeting the challenging State academic standards by providing additional educational assistance to individual students. The LEA or school determines needs in meeting the challenging State academic standards.

Weslaco ISD monitors student learning progress and growth and provides additional instructional support through after school tutoring programs, STAAR Mentors, and teacher supplemental instruction.

Description 1d. ESSA Sec. 1112 (b)(1)(D)

Describe how the LEA will monitor students' progress in meeting the challenging State academic standards by identifying and implementing instructional and other strategies intended to strengthen academic programs and improve school conditions for student learning.

Weslaco ISD monitors and adjusts instructional programs based on student benchmark testing and NWEA MAP testing as well as teacher formative assessments.

Description 2. ESSA Sec. 1112(b)(2)

Describe how the LEA will identify and address, as required under State plans as described in Section 1111(g)(1)(B), any disparities that result in low-income students and minority students being taught at higher rates than other students by ineffective, inexperienced, or out-of-field teachers.

Weslaco ISD human resources department ensures that all classes are taught by highly qualified, certified teachers.

Description 3. Sec. 1112(b)(3)

Describe how the LEA will carry out its School Support and Improvement activities responsibilities under Section 1111(d)(1) and (2), identified as (1) Comprehensive support and improvement and (2) Targeted support and improvement.

Weslaco ISD does not have any schools identified for Comprehensive Support and no Additional Targeted Support.

Description 4. Sec. 1112(b)(4)

Describe the poverty criteria that will be used to select school attendance areas under Section 1113. (Within-LEA Allocation Procedures)

Weslaco ISD periodically reviews and adjusts school zoning based on population growth/shifts. These reviews include the various sub-populations and economically disadvantaged student numbers.

Description 5. Sec. 1112(b)(5)

Describe the nature of the programs to be conducted under Schoolwide (Sec. 1114) and Targeted Assistance (Sec. 1115) programs and, where appropriate, educational services outside such schools for children living in local institutions for neglected or delinquent children, and for neglected and delinquent children in community day school programs.

Weslaco ISD campuses identified as school-wide use their funds and resources to maximize supports for all student demographic groups. The district also provides support in the form of teachers, an instructional assistant, and resources to students assigned to the Hidalgo County Boot Camp.

Description 6. Sec. 1112(b)(6)

Describe the services the LEA will provide homeless children and youths, including services provided with funds reserved under Section 1113(c)(3)(A), to support the enrollment, attendance, and success of homeless children and youths, in coordination with the services the local educational agency is providing under the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11301 et seq.). (Homeless LEA Reservation)

Weslaco ISD provides homeless students with immediate school enrollment, regardless of the child's residency status or lack of required documents. This includes assisting with the collection of necessary records and providing transportation. In addition, we provide academic support, school supplies, and resources and coordinate with local community resources for additional assistance.

Description 7. Sec. 1112(b)(7)

Describe the strategies the LEA will use to implement effective parent and family engagement under Section 1116. (LEA Written PFE Policy)

Weslaco ISD implements an effective parent and family engagement program through our PFE Department which includes centralized district staff and parent specialists/community aides at all of our campuses. The district and campus policy is developed and agreed upon jointly with parents. Key strategies include meaningful two-way communication in a language that parents understand, parent advisory councils, volunteer opportunities, and parent feedback.

Description 8. Sec. 1112(b)(8)

Describe, if applicable, how the LEA will support, coordinate, and integrate the services provided under this part with early childhood education programs at the LEA or individual school level, including plans for the transition of participants in such programs to local elementary school programs. (LEA Reservation for Preschool)

Weslaco ISD has a rigorous all-day PK3/PK4 programs with full support at the campus and district level, to include district-wide staffing support, curriculum and materials, and a district level coordinator who works with PK teachers to maximize instructional efficacy. The campuses fully support their PK programs and the transition into kindergarten.

Description 9. Sec. 1112(b)(9)

Describe how teachers and school leaders, in consultation with parents, administrators, paraprofessionals, and specialized instructional support personnel, in schools operating a Targeted Assistance school program under section 1115, will identify the eligible children most in need of services under Title I, Part A. (Multiple, educationally related, objective criteria)

Note: Targeted Assistance Programs are different from schoolwide programs in that not all students are eligible to receive Title I, Part A services.

The LEA must identify students based on multiple, educationally related objective criteria so that the campus's Title I, Part A program is targeted to those students who are failing or most at risk of failing to meet the State's academic standards.

- In a Targeted Assistance Program, only those students who are identified as failing or most at risk of failing, according to the LEAs criteria, may receive Title I, Part A services.
- Only instructional staff involved with those students may receive Title I, Part A services.
- And only parents of those students may receive Title I, Part A services.

Weslaco ISD does not have any Targeted Assistance Programs at this time.

Description 10a. Sec. 1112(b)(10)(A)

Describe how the LEA will implement strategies to facilitate effective transitions for students from middle grades to high school and from high school to postsecondary education through coordination with institutions of higher education, employers, and other local partners.

Weslaco ISD supports the transition of students from middle school to high school and to post-secondary education through a multitude of services provided by the Student Support Services department. Counselors, and College, Career, and Military Readiness advisors work diligently to ensure the smooth transition of students. The GEAR UP program also enhances the efforts provided at the campus to ensure students are college and career ready, as well as provide services to parents and educators to maximize student success.

Description 10b. Sec. 1112(b)(10)(B)

Describe how the LEA will implement strategies to facilitate effective transitions for students from middle grades to high school and from high school to postsecondary education through increased student access to early college high school or dual or concurrent enrollment opportunities, or career counseling to identify student interests and skills.

Weslaco ISD provides several opportunities to increase awareness of the Early College High School and Dual Credit Programs at the middle and high schools. Counselors and CCMR advisors promote awareness and encourage students to take advantage of these opportunities through guidance & counseling and individual planning. Students' interests, strengths, and skills are taken into consideration when counselors set goals with students and when planning their career pathways. Weslaco ISD has a dual enrollment program in conjunction with South Texas College (STC), UT-RGV, and OnRamps (UT Austin). The CTE program also provides preparation to ensure students meet CCMR requirements.

Description 11. Sec. 1112(b)(11)

Weslaco ISD does not discriminate on the basis of race, religion, color, national origin, sex, age or disability in providing education services, activities and programs, including vocational programs in accordance with Title IV of the Civil Rights Act of 1964, as amended: Title IX of the Education Amendments of 1972; section 504 of the Rehabilitation Act of 1973, as amended.

Describe how the LEA will support efforts to reduce the overuse of discipline practices that remove students from the classroom, which may include identifying and supporting schools with high rates of discipline, disaggregated by each of the subgroups of students, as defined in section 1111(c) (2) (Economically disadvantaged; Students from major racial and ethnic groups; Children with disabilities; and English learners).

Weslaco ISD closely monitors campus discipline practices and has focused on ensuring students remain in the classroom or on campus to the maximum extent possible. Our District Alternative Education Program has shifted its focus and is now assigned at the home campus level to better support campuses and keep students close to their sources of instruction.

Description 12a. Sec. 1112(b)(12)(A)

Describe, if determined appropriate by the LEA, how the LEA will support programs that coordinate and integrate academic and career, and technical education content through coordinated instructional strategies that may incorporate experiential learning opportunities and promote skills attainment important to in-demand occupations or industries in the State.

2a

Weslaco ISD has worked to better monitor and integrate CTE into its programs through an active CCMR committee to monitor and improve that coordination.

Description 12b. Sec. 1112(b)(12)(B)

If determined appropriate by the LEA, describe how such agency will support programs that coordinate and integrate work-based learning opportunities that provide students in-depth interaction with industry professionals and, if appropriate, academic credit.

Weslaco ISD monitors and implements CTE instruction and work-based learning opportunities through its' CTE Department. This includes instruction, educational pathways, and academic credit.

Description 13a. Sec. 1112(b)(13)(A)

Describe any other information on how the LEA proposes to use funds to meet the purposes of this part, and that the LEA determines appropriate to provide, which may include how the LEA will assist schools in identifying and serving gifted and talented students.

Weslaco ISD Advanced Academics department provides training and support for identifying and meeting the needs of gifted and talented students. The advanced academics coordinator also controls the allotted budgets to support these efforts. Our LEA follows the Texas State Plan for G/T Education by conducting universal pre-screening for all kindergarten and a nomination process for grades 1-12, using a comprehensive matrix to ensure equitable identification across all populations. We provide a pull-out program and full-time inclusion to serve G/T students effectively.

Description 13b. Sec. 1112(b)(13)(B)

Describe any other information on how the LEA proposes to use funds to meet the purposes of this part, and that the LEA determines appropriate to provide, which may include how the LEA will assist schools in developing effective school library programs to provide students an opportunity to develop digital literacy skills and improve academic achievement.

Weslaco ISD has a coordinator for district library programs and maintains fully supported libraries at all campuses. In addition, it provides full support for instructional technology through its' instructional technology department.
