

Student Highlights

The purpose of the Superintendent Report is to give the Board a high-level overview of the amazing things going on across the district. The superintendent report is broken into two sections: (1) Student Highlights, and (2) District Highlights.

OHS National Merit Semifinalists

Congratulations to our three National Merit Semifinalists from Oregon High School:

-  Maya Jadhav
-  Aislinn Kavan
-  Winter Wokasch

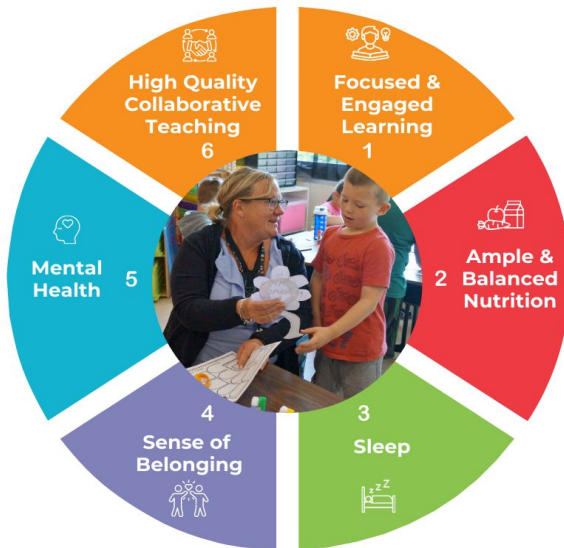

Over 1 million students across the country entered the 2026 National Merit Scholarship Program by taking the Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT®). The nationwide pool of semifinalists represents less than 1% of high school seniors across the country!

🌟 Maya, Aislinn, and Winter are now in competition for the finalist designation. 🙌

District Highlights

Together, Doing Great Things for Kids

Update on Two Board Initiatives

1. *Cell Phone Policy*
 - ➔ Policy implemented
 - ➔ Initial report: going well
2. *Monday Student Later Start*
 - ➔ Continued planning for 1/5
 - ➔ K-6 child care supervision sign up has ended; ~260 total sign ups

OregonSD.org/district/ready-for-learning

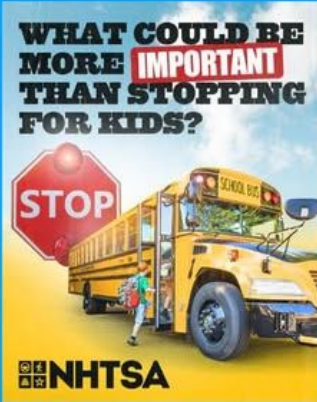

I'd like to begin with a brief update on the two board initiatives we've been implementing:

1. We've implemented the updated electronic device policy and the anecdotal feedback we're hearing from staff and students is that it is going well. The next step will be to gather some additional data and feedback later this fall.
2. Starting Jan. 5, 2026: students will arrive at school one hour later each Monday morning to allow staff essential time for collaborating in the Professional Learning Communities (PLCs), which is known to positively impact student achievement. We are continuing with our project implementation plan to make sure we're ready for January 5. The K-6 child care supervision sign up was sent to all K-6 families, who were given over 2 weeks to sign up. We have ~ 260 sign ups and confirmations have been sent to these families.

We have been communicating frequently about these topics, and will continue to do so as additional details are available. Our website is up to date and we will continue to update it with any new information.

Celebrating Our OSD School Board

THANK YOU DRIVERS

SCHOOL BUS SAFETY WEEK

#OREGONAchieves

Last week was National School Bus Safety Week. 🚌

This is a great time to review bus safety tips and thank our bus drivers for safely transporting our students to school each day! 💛👏

National School Lunch Week

It's National School Lunch Week and we want to give a huge round of applause to our amazing School Nutrition Team! 🙌🙌

We are so appreciative of all that you do to prepare creative and healthy meals for our students each day.

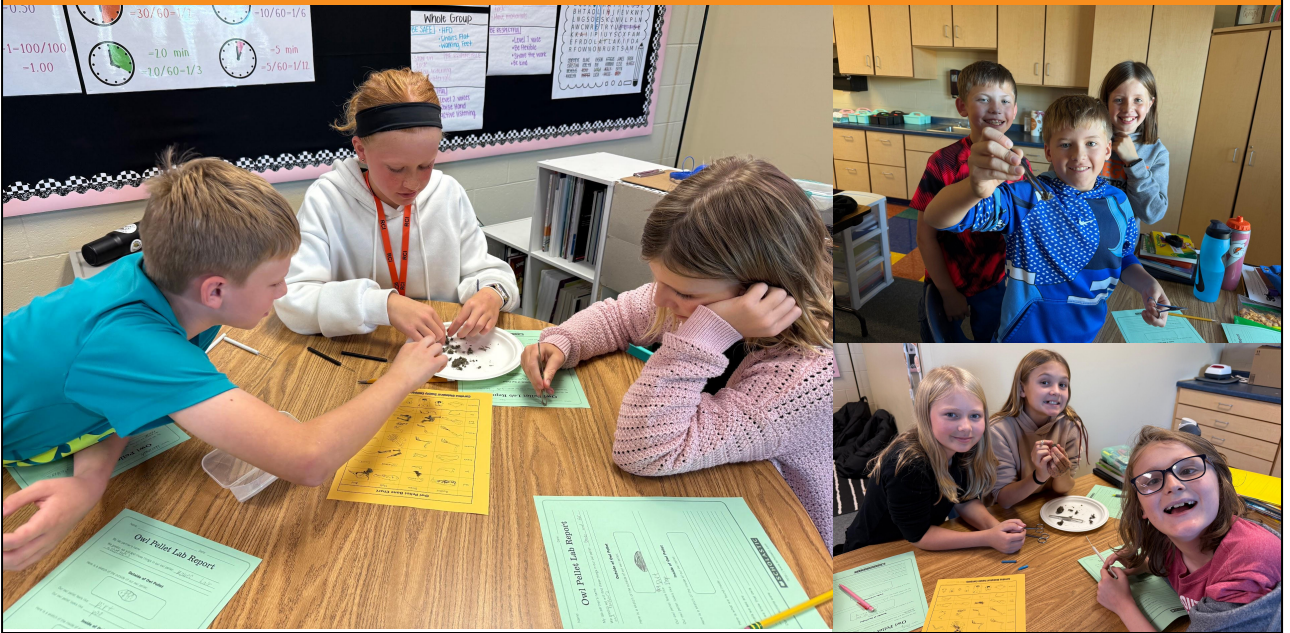

FES Farm Field Trip

Fourth grade students from Forest Edge Elementary had a fantastic time on their field trip to the farm! 🐔 🐷 It was a beautiful day for hands-on learning and we loved our time together.

Many thanks to our amazing high school FFA leaders who joined us. You are wonderful mentors to our younger students.

RCI Owl Pellet Dissection

Students in Ms. Kramer's class at Rome Corners Intermediate put their learning from the Web of Life unit to action by dissecting owl pellets!

OHS Personal Fitness Class

It was a gorgeous day for biking, and our students in Mr. Diercks' Personal Fitness class took full advantage of the beautiful weather while refining their biking skills and getting some great exercise! 🌞🚲

Our Personal Fitness class emphasizes individual and recreational activities, providing students with the tools to create their own personal workout plans.

We love that they are embracing skills that will last a lifetime!

Please keep an eye out for this great crew - if you see them, slow down and give a wave! 🙌

OHS Students Attend Madison Builders Career Day

Students from Oregon High School recently participated in the Madison Area Builders Association Fall Career Day field trip. It was fascinating to join construction industry professionals as they walked through different aspects of the residential construction process. They moved from job site to job site to observe and experience various stages of home construction while learning from experts in each of those trades.

What a great hands-on learning experience!

OHS Students Attend Healthcare Showcase

A group of OHS students participated in the Madison College Healthcare Showcase event that was held in the Health Education Building at the Truax Campus. Students learned about Madison College Healthcare programs, specifically the areas of Ophthalmology Assistant and Medical Assistant. Students were also able to view and engage in activities in the healthcare simulation rooms.

OHS Photography Class

Students in Mr. Derrick's Photography class at OHS recently took a trip to the @oregonareafoodpantry (OAFP) to practice their photography techniques while also doing an important community service project. The photos taken by the students will be used to beautify the facility to create a more warm and welcoming environment.

Thank you for this important work - we can't wait to see the final product!

Congratulations OHS Boys Soccer Team!

Congratulations to our OHS Boys Soccer Team who are now the regional champions! The team defeated Beloit Memorial on the road Saturday night and now head to Middleton this Thursday evening for the Sectional Semi-Final.

We are proud of you and love watching you play.

OHS Cross Country Team Members Going to State

Congratulations to our two OHS Cross Country team members who will be going to state this upcoming Saturday in Wisconsin Rapids:

- Kaito Mikkelsen
- Pavel Vorontsov

We are proud of you and love watching you compete.

OHS Student Photo Crew

As we near the end of fall sports, we want to give a huge shout out to our OHS student photography team. These are students have a particular interest in photography and join OHS Photography teacher, Mike Derrick, to perfect their skills by taking photos at OHS events.

Here is just one sample of the work of this awesome crew. What an amazing way to practice and get better at your craft - we are looking forward to seeing more from you in the near future.

Remember to
Tune In to the
OSD Podcast!

Make sure to check out our podcast: Inside the OSD! You can find all episodes at OregonSD.org/podcast, and anywhere you get your podcasts.

The most recent episode features our School Nutrition Program.

Make sure to like and subscribe to Inside the OSD wherever you get your podcasts to get the most recent episodes delivered directly to you - we have some great podcasts coming up.
