If you have an appointment for your child to receive their physical, please email the date of the appointment to the school nurse. If your child has already received his/her physical, please forward a copy to the school nurse as soon as possible.

As a reminder, any student 11 yrs of age and older are due for their two grade 7 mandated vaccines.

The nurse can be reached @ 484-373-6115 or by email @ lmicek@wilsonareasd.org

A Note From Your CIS Site Coordinator…

Belonging, Engagement & Showing Up

When students feel like they belong, they're more likely to show up and stay engaged. Daily attendance builds relationships with peers, teachers, and staff. This creates a positive school experience.

Did you know?
Absenteeism starts early, and by 6th grade, chronic absence becomes a leading indicator that a student may drop out of high school later on.

It's never too early, or too late, to focus on improving attendance. Let's work together to build strong habits now that set the stage for long-term success.
