TAMALPAIS UNION HIGH SCHOOL DISTRICT

Introduction

The Tamalpais Union High School District Parcel Tax Oversight Committee (PTOC Committee) was established by the District's Board of Trustees as required by the November 2018 voter-approved ballot Measure J. Measure J required the creation of an independent citizens' oversight committee to oversee expenditure of the funds collected pursuant to Measure J to ensure that funding raised under Measure J are spent only for the purposes described in Measure J.

The PTOC Committee confirms that Tamalpais Union High School District has received positive financial audits and is spending these tax dollars in accordance with the voter-approved ballot measure. The committee wishes to highlight to the Board of Trustees, its recognition of the importance and value of these funds to support high quality education in our schools. Without the parcel taxes, the students would have experienced a reduction in core academic programming and art and music elective offerings, higher class sizes, reduction in counseling support services to students and the loss of highly qualified teachers to other school districts.

Note: On November 3, 2020, voters approved Measure M, which contains the same citizens' oversight provisions in the parcel tax ballot language as in Measure J. Measure J funding concluded at the end of the 2020-21 fiscal year and Measure M funding began for the 2021-22 fiscal year. As a result, this 2021-22 Annual Report is solely focused on Measure M funding and the future 2024-25 Annual Report will be solely focused on Measure M funding.

Background

Since 1989, Tamalpais Union High School District has relied upon stable local parcel tax funding approved and renewed multiple times by our community voters. In 2012, voters approved Measure B which authorized a parcel tax of \$238.78 per parcel with an annual 3% annual increase and with senior exemptions that expired at the end of June 2023.

On November 6, 2018, voters approved Measure J, which is a supplementary parcel tax, that authorized an additional parcel tax of \$149 per parcel with an annual 3% annual increase with senior exemptions that also expired at the end of June 2023. Measure J funding would be in addition to Measure B funding during the four-year duration of Measure J.

The Board of Trustees authorized the formation of the Parcel Tax Oversight Committee with approved by-laws. It was formed in the 2019-20 school year once Measure J funds were actually received in December 2020, per the ballot measure language. The Committee met

twice (October 2024, April 2025) during the 2024-25 fiscal year to review district financial reports and independent financial audits prepared by the auditing firm Christy White & Associates.

The Measure J parcel tax rates and annual amount collected from November 7, 2018 to present are listed below. Given the ballot measure language, voters authorized an annual prorated tax amount collected for the remainder of the 2018-19 tax year from November 7, 2018 through June 30, 2019 to be collected on the November 2019 tax bill in addition to the regular annual amount collected for the 2019-20 tax year. Again, this 2024-25 Annual Report is solely focused on Measure M funding and the future annual reports will be solely focused on Measure M funding.

Tax Year	Measure J Parcel Tax Rate	Measure M Parcel Tax Rate	Annual Amount Collected
2018-19	\$149.00 per parcel	-	\$0

2020-21	\$158.07 per parcel		\$5,317,849
