

PILLAR 2

ALUMNI ENGAGEMENT

Alumni represent the legacy of District 205 and are powerful role models for current students. By reconnecting graduates to our schools, we foster a cycle of mentorship, pride, and giving back.

GOAL

Create a living alumni network that contributes to student development, career exposure, and district pride.

STRATEGIES

- Establish and maintain an alumni database for each high school.
- Launch a monthly alumni speaker series to highlight graduates across industries.
- Celebrate alumni achievements through digital spotlights and recognition events.
- Embed alumni participation in the My Influence Matters Pledge Campaign as evidence of legacy and influence.
