

PILLAR 3

STUDENT ENGAGEMENT

Student engagement is essential for a thriving school climate. Students who feel seen, valued, and heard are more likely to contribute positively to their schools and communities.

GOAL

Empower students to lead, serve, and influence through meaningful engagement opportunities.

STRATEGIES

- Support student leadership programs and student-led initiatives.
- Host school-wide campaigns to unify student voice and climate.
- Create FACE student ambassadors in each school that connect with SBOE members
- Provide after school and co-curricular opportunities that focus on leadership, service, and wellness.
- Incorporate student feedback into district decision-making processes.
