

PILLAR 4

COMMUNITY ENGAGEMENT

District 205 thrives when the wider community is engaged in its mission. By partnering with our K–12 school community, local organizations, businesses, and civic leaders, we expand opportunities for students and families.

GOAL

Strengthen collaboration with community partners to enhance resources, opportunities, and trust between schools and the public.

STRATEGIES

- Develop formal partnership agreements with local organizations, businesses, and our K-12 school community.
- Host signature community events that highlight culture, district pride, and student achievement.
- Expand volunteer and partner pipelines through civic, business, and faith-based organizations.
- Involve community leaders in My Influence Matters Pledge Campaigns, panels, and mentorship programs.
- Share regular impact reports that highlight how community contributions benefit student success.
