

SUSD Math Textbook Adoption Evaluation Rubric: 6-8

Number of Reviewer:

Curriculum Materials Number:

Rubric for evaluating points under Overarching Considerations:

0 points - Not Found The curriculum materials do not support this element.	1 Point - Low The curriculum materials contain limited support for this element; the support is not embedded or consistently present within resource(s).	2 Points - Medium The curriculum materials contain support for this element, but it is not always embedded or consistently present within resource(s).	3 Points - High The curriculum materials contain embedded support for this element so that it is consistently present within resource(s).
---	---	---	--

Curriculum Design	0, 1, 2, 3
1. Alignment to Arizona State Mathematics Standards	
2. Includes a realistic and adaptable pacing guide for a variety of learners; includes logical scope and sequence	
3. Includes a teacher guide with direct instruction	
4. Utilizes spiral learning for continuous review and reinforcement	
5. Breaks down lessons into manageable components that include “stepped out” problems and procedures	
6. Provides varied assessments for a variety of learners (digital and paper-based)	
7. Learning objectives and success criteria included	
Comments:	
Overall score for Curriculum Design	___/21

Teacher Resources	0, 1, 2, 3
1. Offers a wide range of materials (digital tools, printed resources, pre-generated slides) that can be differentiated	
2. Easy to use teacher’s edition, spiral bound preferred	

3. Ability to adapt materials (editable assignments, assessments, assessment banks)	
4. Include fluency practice (paper-based and digital)	
Comments:	
Overall score for Teacher Resources:	___/12

Student Resources - To what extent do the materials...	0, 1, 2, 3
1. Manipulatives utilized and hands-on engagement that can be differentiated	
2. Provides perforated, paper-based and digital student workbooks	
3. Provides practice resources for remediation (including fluency) as well as extension activities	
Comments:	
Overall score for Student Resources:	___/ 9

Technology	0, 1, 2, 3
1. Options for digital teacher guides and student workbooks, homework, assessments, practice pages (fluency) and translated resources (language)...editable	
2. Provides differentiation	
3. Provides real-time feedback or step-by-step guidance	
Comments:	
Overall score for Technology:	___/ 9

Assessment	0, 1, 2, 3
-------------------	-------------------

1. Varied editable assessments that can be adapted/differentiated to a variety of learners, aligns with standards, and reflects real-life scenarios	
2. Provides targeted feedback to guide student improvement (digital)	
3. Formative and Summative assessments, checkpoints, assessment banks (digital & paper-based), exit tickets	
4. Digital assessments can be shared teacher to teacher, district-wide	
Comments:	
Overall score for Assessment:	___/12

Rigor and Real World Relevance	0, 1, 2, 3
1. Ensure content is connected to real-world applications and future career paths (how this will support future goals and daily living skills; how to apply outside the classroom)	
2. Uses problems and tasks based on real-life contexts	
3. Encourages critical thinking and problem-solving	
Comments:	
Overall score for Rigor and Real World Relevance:	___/9

Family/Community Resources	0, 1, 2, 3
1. Resources for families to support communication and learning at home (guides, explanations, task analyses, etc.), and the ability to translate docs	
2. Documents for the community so they understand what students are learning, and the ability to translate docs	
Comments:	
Overall score for Family/Community Resources:	___/6

Professional Development and Support:	0, 1, 2, 3
1. Provides clear, user-friendly instructional guides, videos, and manuals	
2. Provides family and community resources, opportunity for PD, include bilingual	
3. Tiered PD, especially for new teachers, opportunity for ongoing PD/Asynchronous PD option	
4. PD aligned to gifted, ELD, students with disabilities	
5. PD specific to the digital components	
Comments:	
Overall score for Professional Development and Support:	___/15
