

SWANS Class of 2025

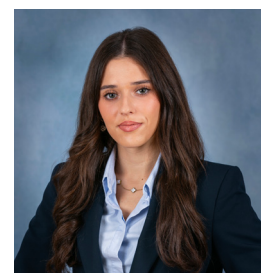

International Baccalaureate Diploma Examination Results

The Swans Class of 2025 has achieved remarkable success in both IB (International Baccalaureate) and IGCSE (International General Certificate of Secondary Education) examinations this year. The dedication of our IB students is reflected by the 100% pass rate, with eight students scoring over 40 points (top 9%) and one earning a perfect 45 (top 1% of all IB students).

Scores of 38 and above are equivalent to AAA at A Level, with 45 points comparable to 4 A*s. Many graduates are now heading to prestigious universities worldwide, including the London School of Economics and Political Science (LSE), the UK's top-ranked university for the past two years.

Congratulations to all Swans IB and IGCSE students - your dedication and resilience form the foundation for a bright future.

Congratulations to the Year 11 students who excelled in their (I)GCSEs and are now preparing to embark on their IB journeys. The following students all achieved multiple grades 7-9 (equivalent to the traditional A*-A grades). These outstanding accomplishments exemplify Swans' unwavering commitment to nurturing a culture of success, excellence, and academic growth.

Well done on these incredible achievements and best wishes for continued success.

Class of 2024

Another year of outstanding academic achievements from students at Swans International School!

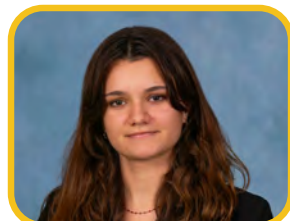

Congratulations to the Year 13 IB students, for achieving an impressive average of 34 points. Some scored 38 points or higher, which is equivalent to *AAA and places them in the top 8.9% of students worldwide. With a maximum of 45 points achievable,

a score of 40 points equates to four A* in A' Levels, reflecting the exceptional dedication and hard work from these students.

The remarkable results in both the IB Diploma and (I)GCSEs, underscore Swans International School's commitment to academic excellence.

Well done, Class of 2024! The future is bright!

SUPERB IB RESULTS

Once again, the graduating Year 13 class of Swans International School has maintained the high standards of previous years, with an amazing set of IB Diploma results.

In keeping with the school's reputation for academic success, **8 of our students achieved 40 points or more**, which puts them amongst the top 20% of students worldwide.

In the most difficult two years in our recent history, these students coped with the challenge of IB admirably, with **45% of the students achieving 36 points or above**, equivalent to AAA at A Level, which is a monumental achievement.

They will now go on to attend some of the world's most prestigious universities, including Russell Group universities such as King's College London, The University of Glasgow and Durham University.

Swans has built its success over 50 years, by instilling a philosophy of hard work and independence in its students, underpinned by a code of **Positivity, Proactivity and Pride**. These sixth formers are shining examples of these values and will enter the next phase of their lives fully prepared for the challenges of the future.

Our Head Girl, María Moro Bermudo, has been accepted by the University of Cambridge to study Human, Social and Political Sciences.

IGCSE RESULTS 2020

Congratulations to our wonderful Year 11 students for their amazing (I)GCSE results. They achieved an outstanding 97% A**- C, with 50% of grades being A**- A grade.

They are an excellent group of students and the ones pictured here will all be pushing for 40 points or above at IB as they continue their studies in Swans School with the International Baccalaureate Diploma.

They already have designs on attending top universities and we have high hopes that this will be our best ever cohort going forward. Not only are they talented academically, but they are incredibly active in all aspects of school life, serving as a great example to younger students.

SWANS SIXTH FORM STUDENTS EXCEL AT IB

It is with great pride that we announce the best set of results in our school's history. Their achievement includes a 'full marks' score of 45 points, gained by Andrea Henderson de la Fuente. This is a feat managed by only 0.5% of all students worldwide.

Full marks also go to every student in the year group that completed the full diploma this year, as 100% of them passed with an average score of 35 points. What makes us even prouder is the way in which the students have conducted themselves as Sixth Formers. They have embodied all of the values that we instill in the Swans community on a daily basis, of hard work, care and friendship and it is this that makes our school the wonderful family that it is.

Over 30% of students gained 36 points or more, equivalent to AAA at A'Level (UCAS Website).

AMAZING (I)GCSE RESULTS

We are also so proud of our Year 11 students who performed so well in their (I)GCSE exams. The students gained some excellent individual scores, with 41% of grades being A* or A and an overall pass rate of 92%, which is fantastic. These students will now make up an excellent IB cohort in Swans' Sixth Form who have recently had a super new Common Room built especially for them. Our congratulations go to the students, staff and parents of Swans on this excellent achievement.

SUPERB IB RESULTS

Once again, the graduating Year 13 class of Swans International School has maintained the high standards of previous years, with an amazing set of IB Diploma results.

In keeping with the school's reputation for academic success, **8 of our students achieved 40 points or more**, which puts them amongst the top 20% of students worldwide.

In the most difficult two years in our recent history, these students coped with the challenge of IB admirably, with **45% of the students achieving 36 points or above**, equivalent to AAA at A Level, which is a monumental achievement.

They will now go on to attend some of the world's most prestigious universities, including Russell Group universities such as King's College London, The University of Glasgow and Durham University.

Swans has built its success over 50 years, by instilling a philosophy of hard work and independence in its students, underpinned by a code of **Positivity, Proactivity and Pride**. These sixth formers are shining examples of these values and will enter the next phase of their lives fully prepared for the challenges of the future.

Our Head Girl, María Moro Bermudo, has been accepted by the University of Cambridge to study Human, Social and Political Sciences.

IGCSE RESULTS 2020

Congratulations to our wonderful Year 11 students for their amazing (I)GCSE results. They achieved an outstanding 97% A**- C, with 50% of grades being A**- A grade.

They are an excellent group of students and the ones pictured here will all be pushing for 40 points or above at IB as they continue their studies in Swans School with the International Baccalaureate Diploma.

They already have designs on attending top universities and we have high hopes that this will be our best ever cohort going forward. Not only are they talented academically, but they are incredibly active in all aspects of school life, serving as a great example to younger students.

IB RESULTS 2020

It is with great pride that we announce that Bárbara Láinez Millán has been awarded 45 points for the International Baccalaureate. Her "full marks" score is a feat managed by only 0.5% of all students worldwide. She will now go on to study Medicine at the University of Glasgow, while our second highest achieving student, Alexia Collot d'Escury Ariza has been awarded a scholarship to study Law at IE University in Madrid.

In total, 10 students achieved a brilliant 40 points and above this year, putting them in the top 9.5% of students in the world. They now go on to study at some of the world's best universities, including:

- University of Cambridge
- King's College, London
- University of the Arts, London
- IE University, Madrid
- University of Glasgow
- ICADE Business School
- University of Bath
- University of Toronto
- ESSEC, Paris
- Technical University of Eindhoven

RESULTS 2019 IB & GCSE

We are once again very proud of our students who consistently achieve incredible results – competing with the highest calibre of students worldwide.

International Baccalaureate - 100% Pass Rate

Many of our IB students achieved 36 points or higher (the equivalent of AAA at A-level).

Our IB students now go on to study at some of the world's best universities, including:

- University of Edinburgh,
- University of Warwick
- King's College London
- University of Exeter
- University of Bath
- University of Manchester
- CEU San Pablo
- IE University Madrid
- Amsterdam University

IGCSE Results - 40% A**-A Grade!

We feature here just a small selection of this exceptional year group with an overall A**-C pass rate of 91% (UK average 69.9%). We now welcome these students into our Sixth Form to take on the challenge of the International Baccalaureate Diploma.

Our Head Girl, Lara Kratzer, gained 42 points in the IB and will be studying Sociology at the University of Edinburgh.

RESULTS 2018

IB & GCSE

SWANS SIXTH FORM STUDENTS EXCEL AT IB

It is with great pride that we announce the best set of results in our school's history. Their achievement includes a 'full marks' score of 45 points, gained by Andrea Henderson de la Fuente. This is a feat managed by only 0.5% of all students worldwide.

Full marks also go to every student in the year group that completed the full diploma this year, as 100% of them passed with an average score of 35 points. What makes us even prouder is the way in which the students have conducted themselves as Sixth Formers. They have embodied all of the values that we instill in the Swans community on a daily basis, of hard work, care and friendship and it is this that makes our school the wonderful family that it is.

Over 30% of students gained 36 points or more, equivalent to AAA at A'Level (UCAS Website).

AMAZING (I)GCSE RESULTS

We are also so proud of our Year 11 students who performed so well in their (I)GCSE exams. The students gained some excellent individual scores, with 41% of grades being A* or A and an overall pass rate of 92%, which is fantastic. These students will now make up an excellent IB cohort in Swans' Sixth Form who have recently had a super new Common Room built especially for them. Our congratulations go to the students, staff and parents of Swans on this excellent achievement.
