

In addition, the District continues to provide guidance and ancillary service programming to complement and supplement special education services. Special education services are available to all special needs students enrolled in the Stafford Schools. When need is determined, children in special education programs receive the benefit of specially trained teachers, child study teams, speech therapists, occupational therapists, and physical therapists.

Harry Louth
Interim Director of Special Education

Carolyn Roselli
Vice Principal of Special Education

I am very excited to have the opportunity to serve the Stafford Township School District as the Vice Principal of Special Education. I look forward to advocating for students with diverse needs, ensuring compliance and excellence in programming, and supporting educators and families with tools they need to succeed.

Meet the Child Study Teams: PreK-2

Meredith Leavey, LDTc

Working at Oxycocus is the best because of the supportive staff and energetic students. It's amazing to see the growth of our youngest students from when they enter pre-school to when it is time for Kindergarten. My day is always full of smiles!

**Danielle Garriss,
School Psychologist**

Watching our students learn while working with our wonderful Stafford parents, dedicated staff, and awesome administration are just a few of the reasons why I love being a school psychologist.

**Jaclyn Acampora
School Psychologist**

What I enjoy most about being a school psychologist is working with a dedicated team to make sure every child has the support they need to thrive!

**Christine Greenblatt-
Murphy, LDTc**

Working on the child study team gives me the opportunity to advocate for my students and promote success. That is the common goal.

**Shannon Pirone,
School Psychologist**

I love being a school psychologist because I am able to collaborate with passionate staff members and parents to help facilitate student success.

**Molly Spaschak
Social Worker**

I love being a school social worker for prek and kindergartners. I get to support children during their very first school experiences.

Meet the Child Study Teams: Grades 3-6

**Mary Francis
Smolens, LDTc**

My goal is to help students maximize their learning potential and provide practical assistance to their teachers.

**Thomas Costello
School Psychologist**

"The best thing parents can do is to teach their children to love challenges, be intrigued by mistakes, enjoy effort, and keep on learning." Carol S. Dweck

**Stephanie Szczepan
School Psychologist**

"A person who never made a mistake never tried anything"
Albert Einstein

**Liz Newman
Social Worker**
