The College of Arts and Sciences at the University of Tennessee at Chattanooga announces the **Westbrook Scholarship Program for incoming freshmen** majoring in the natural sciences. Awards of **$14,000** (over 4 years) will be presented to as many as ten entering freshmen majoring in Biology, Chemistry, Environmental Science, Geology, or Physics (including STEM education). Once awarded these scholarships are automatically renewed provided the student meets specific academic requirements (utc.edu/westbrook). The Westbrook scholarship can be added to other University scholarships and the Tennessee Lottery scholarship. The Howard L. Westbrook Scholarship fund was established in 1993 by alumnus Howard L. Westbrook of Fairhope, AL., Class of 1958, and is open to all applicants regardless of race, color, creed, or sex. Competitive applicants should have the following qualifications:

- Grades of A or B in all high school science courses completed to date
- Attain a high school grade point average of 3.5 or above
- Earn a composite score of 26 or above on the ACT exam
- Declare Biology, Chemistry, Environmental Science, Geology, or Physics as the major at UTC

While the Westbrook is a merit scholarship, financial need will also be considered during the selection process. Eligible majors include all tracks in BS Biology, BS Chemistry, BS Environmental Science, BS Geology, and BS Physics degrees. An undergraduate degree in the natural sciences is ideal for anyone with an interest in medicine, dentistry, pharmacy, forensics, genetics, food science, veterinary school, forestry, molecular biology, science teaching, patent law, conservation, environmental consulting, polymer science, soil science, GIS/remote imaging, environmental policy, materials, or other science and technology related areas.

A separate “Application for Admission” to the university must be submitted directly to the Office of Admissions at UTC by **February 1**. In addition, the completed Westbrook application (submitted online) and two letters of recommendation (emailed) are **due February 15**.

Announcement of the awards will be made in middle to late April.
