

Ahfachkee School Character Education Program

Greetings Parents and Guardians:

Our school Character Education program plays a vital role in helping students grow into respectful, responsible, and caring individuals. Through monthly themes and daily practice, students learn the values and behaviors that support a positive school culture, strengthen relationships, and build the foundation for lifelong success—both in school and beyond.

In order to educate students about the importance of good character and to inform students about what positive behavior looks like, our school counselors will visit all elementary school classrooms each month and present a mini- lesson on the Character Trait of the month.

Also, each month this school year all of our teachers will be identifying only one of their students who has best demonstrated the trait for that month. These students will be recognized and will receive a certificate from Mr. Baer our Principal, for their accomplishment. The presentation will be broadcast on our morning school TV news show WABC News.

Below is the character trait list by month throughout this school year:

Character Trait	Month
Cooperation	September
Responsibility	October
Citizenship	November
Kindness	December
Respect	January
Honesty	February
Self-Control	March
Gratitude	April
Perseverance	May

Please contact one of our School Counselors if you have any questions or comments.

Thank you.

Harold (Chip) Osborn, School Counselor

Adriana Suarez-Murgueytio, School Counselor
