

LAFAYETTE MILLS FOOD DRIVE

November 3rd - November 25th

Even in the world's wealthiest nation, over 50 million people deal with hunger. It is a universal problem regardless of where you live. Like every other state in the country, NJ has its challenges when it comes to this issue. Although hunger can be found in virtually every county of our state, it doesn't mean action can't be taken to fight it. The hunger relief organizations of NJ are challenging all students, staff, teachers and parents to think of those less fortunate this year by organizing a food drive at their school, beginning **November 3rd** through **November 25th**. Lafayette Mills has accepted this challenge! Website: <http://studentschangehunger.org/>

All food items are accepted; here's a list of the most wanted items:

- . Canned Fish and Meats
 - . Boxed Meals
 - . Pasta
- . Pasta Sauce (no glass please)
 - . Rice
