Jerry Ragland, Class of 1988

The purpose of this organization is to recognize and honor Millsap High School Alumni athletes, teams, coaches, and special contributors for outstanding athletic achievement. We take pride in our past athletic achievements and wish to honor those who have made a difference as athletes of Millsap High School.

Joe & Margaret Young

Special Contributor to Millsap High School Athletics

As a 1956 graduate of Millsap High School, Joe Young attended all 12 years at Millsap ISD. He was involved in athletics playing basketball and softball.

He married Margaret Crumby, a Mineral Wells resident, in 1957. After returning from Vietnam and acquiring a position at Bell Helicopter, they began raising their three daughters: Kim, Kay, and Lisa in the Millsap Community. In 1968, Margaret and Joe Dean purchased the convenience store in Millsap which they named Young Mercantile but was better known to all the residents as "Joe Dean's". As they both worked at the store, Margaret and Joe Dean began giving back to Millsap ISD in many ways which included their time working for the Booster Club for over 20 years, donating ice to the concession stand 30+ years as well as donating land for the Millsap Youth Association to have a place to play baseball which is still in use today.

In addition, the Young's offered land to the FFA Department to build a shop and the land to drive to the High School was donated as a right-of-way connecting the current high school to Hwy 113.

They both were actively involved in all aspects of the Millsap Community including the Millsap Heritage Society, the Water Board, Board of Trustees member, Millsap Neighborhood Home and Garden Club as well as both being member of the Millsap Baptist Church where Margaret played the piano for 47 years.

Margaret and Joe Dean's family had three generations of athletes compete for MHS which included three children and one granddaughter. They were blessed with 5 total grandchildren and two great-grandchildren aka…."the twins".

We would like to provide A special "thank you" to Margaret and Joe Dean as they are remembered saying "anything for the kids" and their actions showed that motto. We appreciate your hard work and dedication as well as all your efforts as you helped make Millsap a great place to grow up and live.

Although Margaret has passed from this world, we all know that she is smiling down as we honor her and Joe Dean as special contributors to MHS athletics.

Coach Terry Hamilton

Boys Cross Country Team

1986

The 1986 Cross Country Team was one of the most enjoyable teams I have ever coached. They were not only talented but were great competitors. Their effort every Saturday was memorable. *Coach Hamilton*

Back – Coach Terry Hamilton, Middle row: left to right – R. Harris, J. Ragland, T. Matthew, J. Evans
Front row: left to right – J. Jenkins, D. Evans, J. Finley - JV, A. Ruiz, S. Grigsby.

In 1986, the Millsap Harriers embarked upon an exceptional Cross-Country season not only as a team but also as individual performers. In only their second year, the Bulldog team won four meet titles at Abilene, Jacksboro, Mineral Wells and Mountain View under the direction of Coach Terry Hamilton.

Capturing First Place in the District meet and Second in the Regional meet as a team, the Bulldogs found themselves in a position to vie for a state title. At the state level, these young men suffered an injury with their #2 runner, Jamie Jenkins. However, Jenkins fought through and competed at the state meet helping the team to a 4th place finish. This team could have very well been a medalist with all runners healthy.

Not only did the team have success but the level of individual success was superb as well. Donnie Evans and Terry Matthews both finished in the top 15 at 5th and 14th respectively. Both young men were named to the All-State Cross Country Team.

This banner year set the tone for future success in Millsap High School Cross Country for both the boys' and girls' programs for many years to come. The 1986 team was filled with nine young men that had a strong work ethic and a deserve to achieve a goal.

Coach Hamilton instilled an outstanding work ethic in each one of the young men and each one responded well. Their hard work carried over to other sports in which they competed and allowed them to be successful in all sports at Millsap High School.

Leo Ames

Class of 1963

Whether you speak to a "seasoned" or a "younger" community member when discussing Millsap High School Basketball, Leo Ames' name is always mentioned as one of the all-time greats in basketball history for MHS.

Leo played during a time when the mindset of athletics began to change under the direction of Coach Bob Derryberry. As Coach Derryberry, now deceased, stepped onto the court with his whistle in hand, the players knew they had a higher standard to achieve under his guidance. Before Coach Derryberry arrived at MHS, the guys wore blue jeans to practice. He quickly changed their mindset into an athlete's perspective and each of the players embraced his philosophy and reaped the benefits.

Leo embraced the new way of thinking and began to realize that winners practice after everybody else goes home. Leo was known for his great jumping ability. He attributed that to extra practice of jumping at home while wearing combat boots. The speed that Leo displayed had opponents stopping in their tracks as he had taken the ball and scored before the opponent had time to realize what was happening.

Under the leadership of Leo Ames, his team excelled to new heights for Millsap athletics as they reached the State 1A Basketball Tournament. During his senior year, Leo averaged 17 points per game. As the 1963 Sr. headed with his team to the state tournament, they traveled by vehicle to play their first game against a tough West Sabine team. This team had researched Millsap basketball and double-teamed Leo, holding him to 11 points. In game two, Millsap, led by Leo who scored 21 points, faced a salty Stratford team and won 3rd place defeating Stratford 46-43.

Ames ended his Senior season with several accolades including the All-District Team, All-State Team and becoming a member of the North All-Stars. In addition to his achievements on the hardwood, Leo also excelled in track and field as a regional representative.

Leo moved to Kansas where he worked in carpentry, farming, as well as general labor.

Although Leo passed away in 2015, the legacy of his exceptional basketball career remains alive today as we honor him as one of Millsap's all-time greats.

Arlie Ashley

Class of 1971

Arlie Ashley began attending Millsap ISD as a first-grade student in 1959-1960. He attended all 12 years at Millsap and began his athletic career in middle school.

Arlie loved all sports including football, basketball, and track. He was a varsity letterman in all three sports and contributed to the success of each of the programs for MHS. Arlie and his teammates set the MHS record in mile relay in 1971 and still hold the record 52 years later.

As a freshman, Arlie was voted Best All Round and received All District Honorable Mention in football and was a varsity member of the basketball team.

During his high school athletic career, he continued to enjoy football, basketball, and track. Although Arlie also excelled in basketball, #22 made his presence known as soon as he stepped onto the football field.

As a halfback, Arlie was the second part of the "dynamic duo" alongside teammate and quarterback, David Kirk. Their contribution in the Backfield was an integral part of the success of the 1970 football team that finished the season as District Co-Champions in a tough football District which included Aledo, Boyd, Springtown, Coppell and Southlake Carroll. The 1970 team ended the season with an astonishing record of 9 wins and only one loss. In addition, this team scored 404 points and held their opponents to only 80 points in 10 games.

Arlie was rewarded for his outstanding contributions to Millsap football as he was voted All District Linebacker as a Sophomore, All-District Halfback and Linebacker his junior year and All-District Halfback and honorable mention linebacker during his senior year.

In addition to his football accolades, Arlie received All District Honorable Mention as a basketball player his Jr. year and All District his senior year. He was known on the basketball court for his deadly jump shot and quickness.

As a senior, he was voted Most Athletic and Mr. MHS by his classmates.

As a lifetime resident of Millsap, he enjoys giving back to his hometown by working in the Booster Club cooking countless hamburgers and hotdogs at every home football and volleyball game. In addition, Arlie was a member of the School Board for Garner as well as Millsap ISD. He married Vicki Youngblood in 1972 and they have two sons.

Coach Ronnie Hearne

Girls Basketball Team

1976

"I will always be grateful to the ladies on the 1976 team. You gave me the love of coaching girls' basketball. Your talent and dedication was unmatched! May God continue to bless you and your families"

Coach Ronnie Hearne

Left to Right: K. Young - Captain , D. Aaron, K. Young, D. Pitchford, L. Kinman, J. Smith-Barnes - Captain, P. Woodruff, D. Finch, B. Free, K. Massie, D. Jones, J. Youngblood, B. Chestnut, S. Frazier, S. Smethers, J. Aaron Front row: Coach Ronnie Hearne, Mgrs. D. Penhorwood, R. Troy and J. Meals.

Returning 2 forwards and 2 guards from the 25-6 1975 team who lost the District Championship by one point to the eventual State Champions Southlake Carroll, the 1976 Lady Bulldog Basketball Team was ready to reach heights that had never been experienced in school history and they did just that as they began the season with a TABC #1 ranking, two games scoring over 100 points, and outscoring their opponents by an average of 25 points, 74-49.

They started the season off strong with 18 straight wins and two tournament championships under their belt, including the 16-team Weatherford College Tournament as well as the Graford Tournament. Coach Ronnie Hearne's team ended the Lipan tournament as runner-up champions posting a 19-1 record heading into a strong powerhouse district including Reigning State Champions Southlake Carroll and a brawny Boyd team. The strength of their schedule is an attribute that catapulted this team over the top as one of the all-time greats.

As district play began, this team had all areas covered with 4-year offensive starter - Sr. Julie Smith-Barnes, known for her long shots, averaging 25 pts. Alongside Julie was 3-year starter, Jr. Lynnette Kinman, known for her jump shot, averaging 24 and Fr. Post, Darla Finch, averaged 15 adding a tough inside game. The defensive squad led by 4-year starter-Sr. Kim Young, 3-year starter-Jr. Katrina Massie and Jr. Julie Youngblood were quick, feisty, and unmatched by any other team. Reserves included Jr. guard Donna Jones and Fr. Forward Kay Young.

The Lady Bulldogs split district wins with Southlake Carroll, who had an eventual 3-time all-American college player, and top 25 college women player and our tenacious, unintimidated Lady Bulldogs stayed right with them. As a result, the 1976 team ended district play Co-Champions tied at 9-1 forcing a play-off game for a playoff berth as only one team advanced at this time.

In a gymnasium filled with great Bulldog fans, the Lady Bulldogs never gave up and ended regulation in a tie. Second and third overtimes ended in a tie as well and eventually the time ran out with Southlake ahead by two before the Lady Bulldogs could get the ball to the offensive end which ended their historic season in 4 overtimes by the score of 80-82. Many people including the officials stated, "the State Championship game was played here tonight". This team ended with the best record in school history at 29-3, a #6 TABC season ending ranking and an impressive winning percentage of 91%.

Coach Bob Derryberry

Boys Basketball

1963

The 1963 State Semi-finalist Basketball team that captured third place in the Final Four at Austin. Team members are: (L to R) David Rice, John David McAuley, Harvey Davis, Bobby Ford, Royce Littlefield, Andrew Young, Johnny Smethers, Mark Crosland, Tommy Newberry, Ronnie Hearne, Leo Ames, Howard Ford, Sonny Walker, Kenneth Gilbert, Charles Hearne, Head Coach Bob Derryberry, Coach Bob Golphene, Managers H.L. Martin and Tommy Walden. The Bulldogs defeated Stratford 46-43 in the third place game after losing to eventual state champion West Sabine in the semifinals. The starting five were Leo Ames, Howard Ford, Andrew Young, Royce Littlefield, and Kenneth Gilbert.

In 1963, the Millsap High School Boys Basketball Team reached a new level of competition as this team landed a berth at the State Tournament in Class 1A. This team will always be remembered as the first basketball team far to achieve that accomplishment.

Throughout the season, Millsap (28-6), was led by Junior center Kenneth Gilbert and Senior Leo Ames, averaging 19 and 17 points per game respectively. Alongside Kenneth and Leo were a terrific trio which included, Andrew Young, Royce Littlefield and Howard Ford. When "old-timers" of the Millsap community speak of the past, this historic year is one that is always mentioned.

In game one of the state tournament, Millsap faced a tough West Sabine squad (32-3). The Bulldogs leading scorer, Leo Ames was double-teamed. Royce Littlefield stepped up, as a true champion does, and led the Bulldogs in scoring with 15 points, followed by Andrew Young and Kenneth Gilbert each with 11. Rounding out the scoring in game one was Leo Ames with 7 and Howard Ford with 4. Millsap fell to West Sabine, the eventual State Champions. The Bulldogs defeated Stratford 46-43 for a 3rd place finish. In that final game, Leo Ames led all scorers for Millsap with 21 points, followed by Kenneth Gilbert with 9. The team ended the season with an astonishing 29-7 record.

As a result of this historic season, multiple Bulldogs were showered with various accolades for their performance on the hardwood including Leo Ames who received All-State and was named to the North All-Stars Team.

Ronnie Hearne

Class of 1966

Ronnie Hearne is a 1966 graduate of Millsap High School and attended MISD all his life beginning in 1954 as a first-grade student. He was a member of the FFA and was chosen by his peers as the Halloween King.

Ronnie was an all-around athlete but was best known for his great basketball skills and prolific shooting ability. He lettered in basketball for 4 years, track 3 years, as well as baseball and football 3 years. Millsap just began football on the varsity level his sophomore year and in 1964, he was the very first quarterback to ever set foot on the field as a varsity player for MHS. Hearne was also the varsity pitcher for the MHS baseball team.

Hearne began his varsity basketball career as a freshman in 1963. As a freshman, he was the only player that came into the game off the bench at the state tournament. The state team lost their first game and played for third, ultimately bringing home the first and only State Basketball appearance in school history. The team finished in 3rd place, defeating Stratford 46-43. He continued his illustrious basketball career at Millsap High School as a starting center for the next three seasons, earning eight all-tournament honors, member of the District Team, all while he was an integral part of the success of the 1965 & 1966 Basketball Regional Finalist teams. Hearne also served as the captain of the basketball team. In addition to his basketball success, Ronnie found success in track finishing 4th in the mile at the State Track Meet his Sr year.

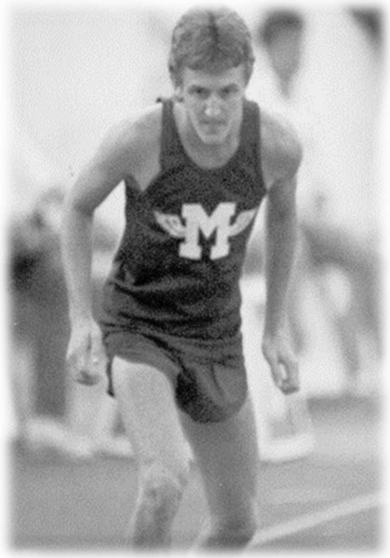

After his distinguished career at MHS, Hearne took the college realm by storm as he became known as one of the greatest scorers in Abilene Christian University basketball history. During his tenure as a college basketball player, Ronnie ranked 2nd in career scoring averaging 20.6 points per game, three times first team All-Southland Conference, (1969, 1970 and 1971), scored 30 or more point eight times in 75 games and a career high of 36 points. Hearne is one of only six players in ACU history to lead in scoring three straight seasons.

Ronnie married his high school sweetheart, Darleen, in 1970. They came back to Millsap where he was a very successful coach for 4 years. In addition to high school coaching, Hearne also coached at two colleges Cisco and Tarleton State University. On the college level, Hearne was inducted into the ACU Hall of Fame as a exceptional player and Tarleton State University as a superb coach with over 1,000 wins.

Ronnie and Darleen have 1 son and 1 daughter, 6 grandchildren, and 1 great grandson. After 43 years of a successful coaching career, Ronnie and his wife now reside in Stephenville, Texas. They enjoy spending their time watching their grandchildren being successful in sports as well.

Jamie Jenkins

Class of 1988

Jamie Jenkins began attending MISD as a second grader and graduated from MHS in 1988 where he was chosen Most Athletic, Most Like to Succeed as well as Mr. Millsap HS.

He made his mark as a Bulldog athlete lettering in several sports which included cross country, football, basketball, and track. Jamie was triumphant in all his sports but was known for his exceptional running ability.

Jamie was a member of the first ever cross-country team as a sophomore and quickly made his mark as a member of the District Champions three years straight. In addition to winning district, he helped his team finish as the regional runner-up qualifying them for the state meet in 1986. At state, the Bulldogs ended with a 4th place finish as Jamie, a top runner, ran injured from the previous night's football game. His dedication to athletics was one of his great attributes. During his senior year, Jamie won the individual district title.

His track record speaks for itself as he was a 7-time regional qualifier in 3 different events including the 400-meter run, 800-meter run and the 1600-meter relay. Jamie qualified for the state meet two times in the 800-meter run and he set the school record in 1986. The school record still belongs to Jamie Jenkins 37 years later as he recorded a time of 1:59.

Jamie returned to football as a junior and quickly made a name for himself as he was chosen to the All-District team as a defensive back and a receiver. The final season of his football career was a historic one as his team was the first football team to ever reach the playoffs in the history of Millsap. As a Sr., his accomplishments continued as he was chosen All district, All Area, and All County as a Defensive Back and Receiver.

As a basketball player, he earned numerous awards including all tournaments and all district honors on a team that won 20+ games. He was chosen as MHS Basketball MVP as well as Fort Worth Star Telegram player of the week. During his senior year, the team recorded an amazing 23-8 record.

He continued his illustrious running career at the college level for Tarleton State University. At TSU, he was a member of the two-time Conference Championship team in track and was 6 time all-conference. Jamie qualified for 3 National championships in Track and Cross Country.

Jamie met his wife Stephanie while coaching in Odessa. They married in 1999 and have three daughters. They both have had a great career in education as a coach and teacher.

Sherri Brumbalow-Whitling

Class of 1989

Whether it was on the hardwood or on the track, Sherri Brumbalow-Whitling made her presence known as she excelled in volleyball, basketball, and track.

Brumbalow was a varsity letterman three years in three sports and was a member of the All-District Teams during those years as well. Although she made her mark in all three, she is best known for her track accomplishments which included District Shot Put Champion in 1987, finishing 4th place at the 1988 State Meet in Discus, as well as ended her career as the District and Regional Champion in Shot Put and Discus in 1989. Sherri completed her outstanding track run by achieving a 3rd place medal in 1989 in Discus at the State Championships in Austin as well as a 7th place finish in the Shot Put. Each year beginning in 1987-1989, Sherri improved and broke her own record in both events. She still holds the school record in the Discus with an amazing throw of 130'2". Her other athletic accolades include Team MVP 1988 & 1989 in Volleyball, Team MVP in 1988-1989 in Basketball, All-Parker County Team 1988 & 1989, Track MVP 1988 & 1989, as well as Millsap High School Athlete of the Year 1987, 1988 & 1989. Brumbalow also received the Greatest Bulldog Award 1988 & 1989 for her Leadership and Athletic Accomplishments.

Upon graduation, Sherri attended Weatherford College on a Basketball scholarship and lettered 2 years. She then transferred to Tarleton State University where she earned a Bachelor of Science degree in Exercise and Sports Studies.

In 1991, Sherri married Glen Whitling, a former Millsap graduate and athlete as well. They have 2 children, 1 daughter-in-law and one granddaughter.

Returning to Millsap High School to coach in 1993, Brumbalow led the volleyball team to multiple playoff appearances. Sherri also coached basketball, track and field, softball and cheerleading during her tenure as a coach.

She retired from education in 2004 and resides in Weatherford with her husband, Glen. She enjoys spending time with family and is honored to receive this award.

Hattie Pugh-Thomas

Class of 1997

Hattie Pugh-Thomas began attending Millsap ISD in 1990 and graduated in 1997. As a freshman athlete, she immediately found success.

Her achievements academically include maintaining a 94 average throughout her high school career. As an athlete, Hattie competed each year and immediately established a name for herself in Cross Country, Volleyball, Basketball and Track.

In volleyball, Hattie was named player of the week when she posted 15 out of 15 serves completed, 7 kills, 5 blocks and 4 digs.

Pugh was also a standout for the Lady Bulldogs on the hardwood earning various accolades; however, her biggest triumphs for MHS athletics came as a runner on the uneven, rocky, hill-filled cross-country course.

As a freshman, Hattie finished 12th at regionals and qualified for her first of three consecutive state meets in cross country. She led her team as a sophomore by finishing 8th place and a first-place regional championship for the girls' program. As a multi-year state qualifier, Hattie made her mark in MHS cross country history and set the standard for future runners.

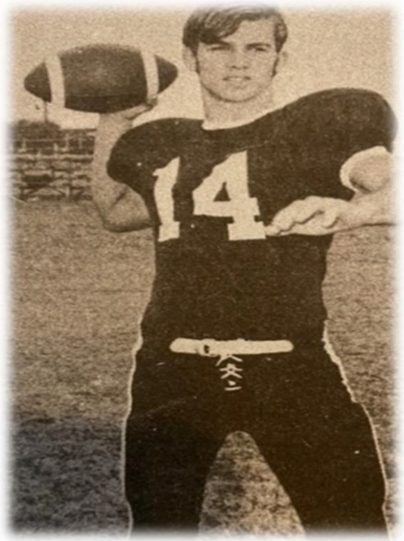

She also participated in Fellowship of Christian Athletes, played the clarinet, and was a member of the Millsap's Quality Leadership Team.

After graduation, Hattie attended Tarleton State University where she graduated with a Bachelor of Science in Interdisciplinary Studies. Currently, she teaches Pre-K at Walnut Creek Elementary in Azle, TX.

23 years ago, Hattie married her sweetheart, Tony Thomas. They currently live in Weatherford where her husband is the Pastor at Santa Fe Baptist Church. They have three children.

David Kirk

Class of 1972

When 1968 rolled around, a new kid on the block emerged and made a name for himself quickly as one of the best quarterbacks around the area. David Kirk made the varsity football squad as a freshman starting as a halfback but was thrust into the quarterback position when the starter was injured against Lake Dallas. It didn't take him long to become noticed, in fact, he immediately ran for a 94-yard touchdown. Kirk started at quarterback for Coach Bobby Fannin for the next 38 games.

Millsap compiled a 26-12 record with David as the starting quarterback. Under his leadership, MHS recorded a record of 23-7 in his final three seasons. Those 23 victories are the most regular season games the program has won in any 3-season span. It is noted that he easily passed, ran, and returned for 60+ touchdowns in 1968-1970 seasons. In 1970, the Bulldogs averaged 42 points per game while outscoring their opponents 404-80 finishing as district co-champions. Kirk was also the team punter.

David was the unanimous first-team all-district quarterback in 1969, 1970, and 1971. He received first team all-district as a defensive back in 1971. Kirk also received the prestigious award of "Player of the Year" for Parker County. Kirk was half of the dynamic duo in 1970 which posted a 9-1 record and included his teammate, Arlie Ashley.

As a track-and-field contestant, David along with his teammates set the MHS record in mile relay in 1971 and still holds the record 52 years later. He also qualified for the state track meet as a junior in pole vault.

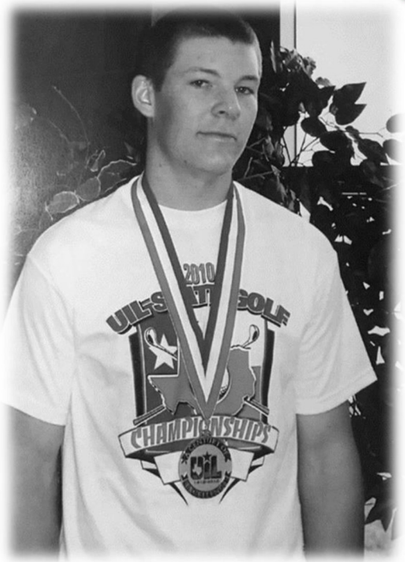

As a captain of the 1971-1972 Bulldog basketball team, David helped lead the team to a 31-6 overall record. This is still the most wins ever in a season of Millsap basketball for both the men and women squads. During this historic season, the team ended their quest for the state tournament at Class 1A Regional Finals when they lost to Pottsboro. The 1971-1972 quintet won the Weatherford College, Aledo tournaments and was runner-up in the AA-A division of the Howard Payne University Holiday Classic.

David received a football scholarship to the University of North Texas where he was #4 in pass receiving in 1973 and his final two seasons moved to the defensive side where he was #3 in interceptions. In 1976, he was invited to try out for the San Diego Chargers. He received a master's degree in 1977. David taught and coached at Richardson ISD for 35 years.

He and his wife Drucilla have resided in Plano since 1990 and have two children. David would like to thank all his teammates in every sport for their effort and team spirit that allowed him to receive this Hall of Fame award. He would also like to dedicate this award to his brother, Michael Rand Kirk (1952-1970), who was also a graduate and athlete of Millsap High School, Class of 1970.

Zeb Littlefield

Class of 2011

Zeb Littlefield, a 2011 graduate, is a third-generation graduate from Millsap High School. He attended MISD beginning in kindergarten.

Zeb was a member of the Millsap National Beta Club, FFA and was named Mr. MHS his senior year.

Zeb received awards in several sports including First Team All-District honors for offense and defense in football and 2009 Football Team MVP as he played both quarterback and defensive end. During the 2009 football season, he helped his team advance to the bi-district game.

In addition, Zeb pitched for the 2010 and 2011 Millsap teams that advanced to the bi-district game, losing to Ponder both years. He was awarded First Team All-District Pitcher in 2010 and All-District Pitcher of the Year in 2011. Notably, Zeb had nineteen strikeouts against Peaster, twenty-one against Tolar, and twelve against Paradise during his senior year.

As a basketball player, Zeb earned First Team All-District and was awarded the Team MVP in 2011 and was a member of the Mile Relay team who qualified for regional in 2010.

Zeb excelled in all sports; however, golf is where he excelled the most. He lettered all four years while qualifying for the regional tournament each year as well as being chosen the Golf Team MVP 4 years.

As a sophomore, Zeb missed the cut for the state tournament by three strokes. He came back more determined his junior year and recorded the best performance of his career as he won the 2A State Championship. During his Sr. year, he finished third in a one-hole sudden death playoff that left him one spot out for the state tournament.

After high school, Zeb earned a scholarship and played collegiate golf at Ranger College. During his sophomore year, Zeb won second in the district tournament, qualifying him for the National Junior College tournament and was ranked thirteenth in the nation among junior college students. He was named Male Athlete of the Year for Ranger College. After Ranger, Zeb attended Cameron University and played golf. His lowest college round at Cameron was sixty-five.

Zeb graduated from Cameron University with a bachelor's degree in business marketing. He is currently Vice-President with Primerica Financial Services. Zeb and his family live in Saginaw, Texas. He and his wife have one child, Jaydon and are expecting their second child in October 2023.

Sara Waldrum-Price

Class of 2000

Sara Waldrum-Price began attending Millsap in the sixth grade and later graduated from MHS in 2000.

During her time at Millsap High School, she was involved in numerous school-related activities including Student Council, National Honor Society, FFA, FCCLA, 4-time All-American cheerleader as well as represented her class each year as a member of the homecoming court.

Even though Sara competed in other sports which included cross county her freshman and sophomore years, varsity basketball – 4 years, and varsity volleyball – 2 years, she was best known for her hurdling skills.

As a hurdler for the Lady Bulldog Track team, Sara qualified for the state track meet all four years in both hurdle events. She won the regional championship title four years in the 300-meter hurdles and three years in the 100-meter hurdles. Sara set the school record in the 300-meter hurdles at 45.1 as a sophomore in 1998 and the 100-meter hurdles at 14.4 as a junior in 1999. Both records still belong to Sara over 20 years later.

She competed alongside her teammate, Hattie Pugh, in the 300-meter hurdles at the state meet which is the only time in school history that two teammates qualified for the same event.

At the state level, Sara placed 2nd in the 100-meter hurdles her junior year and 3rd in the 300-meter hurdles her senior year.

After graduating from Millsap, Sara attended Tarleton State University on a track scholarship running both hurdle events as well as becoming a member of the TSU mile relay team. As a freshman, the mile relay team qualified for the outdoor championship in North Carolina where they finished in 4th place.

She married her husband, Cody, on July 14, 2001. They reside in Palo Pinto. Sara and Cody have two children, a son-in-law, and a precious grandson. Currently, Sara is a special education math and science teacher at Mineral Wells High School where she uses her cheerleading knowledge to coach the junior high, junior varsity and varsity cheerleaders.
