Today, we have a modified bell schedule today to accommodate our **Red Ribbon Week Assembly** with special guest Speaker Dr. Casey Grover. After 7th period, your teachers will escort your class to the gym where you will sit in the same assigned areas as our school gatherings. Please give Dr. Grover your undivided attention during his presentation. School will be released at 2:10.

 Today is Day FOUR of National Red Ribbon Week, and many of you made the choice to Black Out drugs by wearing all black clothing yesterday. It was Ms. Allen's first period class that had 100% of her students showing their dedication to yesterday's message! Congratulations! We hope you enjoy your treats. Today, we also hope that you are "jean"ius by choosing not to do drugs and showing your support by wearing lots of denim. Teachers, please complete the form that Mrs. Wells emailed you this morning to let us know how many students are showing commitment to the Red Ribbon Pledge. Tomorrow is the last day of National Red Ribbon week. We hope you will continue to make positive choices and join in **Scaring Away Drugs by wearing your Halloween Costumes!**

 **Good Luck to our Boys Soccer Team** when they take on DLAMP at 4pm on our home fields. **Go Cougars!**

 **The 2025 CMS Chess Tournament is over!** Two days ago, we were down to the last 3 players: 8th graders Jason Chan and Johnny Walker, and 6th grader Milan Tabrizi. However, in the end, it was the 6th grader: Milan Tabrizi who defeated both Jason and Johnny. This is the first time that a 6th grader has won the competition in over 20 years. It is quite an epic achievement. Thank you to the 37 contestants who participated in this worthwhile event! And again, congratulations to **Milan Tabrizi for being this year's CMS Chess Champion.**

 **INK-tober's Word of the Day is VACANT.** See you in the library at lunchtime. Just bring a pen and paper!

 **Which pumpkin is your favorite?** Place your votes for your favorite Domestic Arts carved pumpkin on the Library website! Polls open today and tomorrow/Friday.

Check the lists in your social studies class and in the library on Monday. **Today's Geo-Bee Question: Which country borders El Salvador - Honduras or Panama?** The first student with the correct answer in the library **DURING BREAK** will receive a treat.

 **In the 6th Grade Wiffler Ball Tournament of Donuts yesterday,** the game between the **Bayer Bears** and **Littletown Lunchables** resumed with the Bears up 8-4 in the top of the third. **The Bears** wasted no time adding insurance runs as they hit 6 homeruns in one inning including a grand slam by Shiloh Perkins. The **Lunchables** were unable to answer back and were sent to the elimination round where they will face the **Krislyn Cooking King Monkeys** today at lunch.

 **Are you interested in joining the Science Olympiad team?** If so, come to the meeting today at lunch in Mr. Guzzi's room to discuss events and our next steps. Please fill out the survey form found in google classroom before the meeting.
