Building Action Plan

2025-2026 GOALS

Academic Focus & Foundational Skills

During the 2025–2026 school year, staff will support student growth in foundational academic skills through the implementation of updated curriculum and instructional practices.

- We will deliver high quality tier 1 instruction across core content areas alongside a variety of supports and interventions.

Building Action Step:

- We will lead and support TBT work throughout the building.
- We will support engagement with the Amplify pilot.
- We will support the SPED audit recommendations through a new math intervention model.

School and Classroom Environments

Students will demonstrate the durable skills of being Leaders, Thinkers, and Students thrive in supportive environments and face diverse challenges demanding strong interpersonal skills and emotional intelligence to navigate life's complexities.

- We will develop a community of connected learners with an emphasis on being a kind, empathetic friend through the implementation of intentional classroom experiences.

Building Action Step:

- We will provide students opportunities to lead through Student Council, mentoring program, clubs, student news, and student assemblies. We will build a school and classroom culture around The Cardinal Way.

Student Experience

As a school community committed to the holistic development of every student, we strive to create a vibrant, inclusive, and supportive school environment where all students can thrive academically, socially, and personally.

- We will provide a variety of student experiences that build strong connections and expose students to opportunities beyond the classroom.

Building Action Step:

- We will encourage full participation at sixth grade camp.
- We will host two Canteens during the year.
- We will connect and inform our students with secondary and post-secondary opportunities.

POINTS OF CELEBRATION

- Staff and students facilitated "Culture Day" on May 2, 2025.
- Increased OST achievement in math (all grade levels), and ELA (increased NCE in all grade levels).
- We won the State championship in boys and girls cross country and boys track. Our student-athlete was national champion in cross country.
