# WELCOME TO OSSEO AREA SCHOOLS

I would like to extend a warm and enthusiastic greeting to you and your child. I understand the excitement and anticipation that comes with this pivotal moment in your child's life and want to assure you that Osseo Area Schools is the right school choice. Our district is not just a place of education, it's a thriving, diverse community where young scholars are encouraged to become learners, explorers and achievers.

Osseo Area Schools believes that every child is unique and filled with potential, which is why our mission is to inspire and prepare each and every scholar to achieve their dreams; contribute to community; and engage in a lifetime of learning.

Our dedicated educational team is truly exceptional, as they possess a deep passion for nurturing young minds and encouraging a love for learning. They go above and beyond to create a supportive and engaging environment for all our scholars.

I understand that this journey is not just about the children; it's also a partnership with parents. Osseo Area Schools is a place where families come together, share experiences and build lasting connections.

I invite you and your family to join us at Osseo Area Schools, where the possibilities are endless, your child's potential is celebrated and their future is our most important mission. Our staff is eager to meet you and your future kindergartner and looks forward to beginning this remarkable journey together.

Warm regards,

Dr. Kim Hiel  
Superintendent  
Osseo Area Schools

## MAGNET SCHOOL OPTIONS

Our magnet schools offer a tailored curriculum that focuses on specific areas of interest, such as science, technology, and the arts. We provide a rich learning experience that will ignite your child's passion for learning from a young age. Free transportation is available to and from all magnet schools if you live within the school districts of Anoka-Hennepin, Brooklyn Center, Buffalo-Hanover-Montrose, Elk River-Otsego-Rogers-Zimmerman, Fridley, Osseo and Rockford.

### BIRCH GROVE SCHOOL FOR THE ARTS

At Birch Grove School for the Arts, core curriculum is integrated with music, dance, drama and visual arts for daily classroom instruction. Arts-rich electives and arts troupes provide additional opportunities for scholars to "learn through our passion for the arts."

### WEAVER LAKE: A SCIENCE, MATH & TECHNOLOGY SCHOOL

At Weaver Lake, learning takes place as scholars investigate the world around them. Scholars discover answers and solve challenges through reading, research and investigation.

### ZANEWOOD COMMUNITY: A STEAM SCHOOL

At Zanewood Community: A Science, Technology, Engineering, Arts and Math School, scholars are taught to be problem solvers, creators and collaborators. Learning activities are designed to appeal to children's interests, be inclusive of all scholars' cultures, and provide academic challenge (and fun!) for children at all grade levels.

### APPLY BY DEC. 17

Submit your application by Dec. 17, 2025 through the Northwest Suburban Integration School District's website at [nws.k12.mn.us](http://nws.k12.mn.us) to be considered in the first lottery.

After each lottery, applications not yet selected will be included in future lotteries or placed on a waitlist. Please note that kindergartners are not automatically enrolled in magnet schools based on an older sibling's enrollment. For help with the magnet school application, contact Northwest Suburban Integration School District at 763-450-1303.

## PROGRAMS TO MEET YOUR CHILD'S NEEDS

Our dedicated team of experienced teachers and specialists is committed to providing individualized support and personalized learning for children with diverse needs. Our goal is to create a welcoming and empowering educational journey for all children, where their differences are celebrated and families feel supported.

### SPECIAL EDUCATION OPTIONS

Special education includes a wide array of programs and services designed to meet the unique needs of scholars with disabilities. In our supportive and caring special education programs, we promote social and emotional development, language and communication skills, and academic progress, ensuring that every child reaches their full potential.

### AMERICAN INDIAN EDUCATION

American Indian Education classes utilize experiential learning and are centered on strengthening the identity of the Indigenous child. The program empowers American Indian scholars and their families and enhances their potential through culture-based educational programming.

### TALENT DEVELOPMENT, ACADEMIC CHALLENGE AND GIFTED SUPPORT (TAG)

Your child will be challenged and engaged through the differentiated learning experiences offered through TAG programming. Students need and deserve challenging learning opportunities that help them discover their unique interests and strengths. Our programming is designed to meet the needs of all students, including those who have demonstrated high performance or show the potential for high performance relative to others of their age, experience or environment.

### KIDSTOP: BEFORE AND AFTER SCHOOL CARE

Community Education's Kidstop school age care program offers a fun, supportive and enriching experience for students in kindergarten through fifth grade. The focus of Kidstop is choice-based activities that help students grow in independence, confidence and leadership; while feeling safe, welcome and celebrated for who they are.

- Students can arrive as early as 6:30 a.m. and stay as late as 6 p.m., Monday through Friday.
- Open on most non-school days
- While families pay tuition, assistance is available for those who qualify.

**Register online:** Visit [osseoschools.org/kidstop](https://osseoschools.org/kidstop) and choose "Register/Manage Your Account"

- Kidstop Summer 2026 registration opens Tuesday, March 3, 2026 at 6 a.m.
- Kidstop School Year 2026-27 registration opens Tuesday, March 10, 2026 at 6 a.m.
- Contracts are accepted in the order they are received.
