

October 29, 2025 Board Report:

**Principal Report:**

Enrollment: 75 students

Elem.: 34      Junior High: 20      High School: 21      Out of District: \*19

Parent/Teacher conferences were held on 10/2 and 10/3. Dinner was provided on the 2<sup>nd</sup> with a great turnout. Big thank you to Traci for helping serve. 63% of secondary students/parents attended. I received responses from most of the emails I sent out following up with those families who did not attend.

September students of the month were selected with a focus on “Persisting”. Nolen Robinson and Coen Little were chosen by their teachers. Coen will be giving a short discussion on how school is going so far this year.

October 16<sup>th</sup> at 10:16 was an earthquake drill. This was held in conjunction with the Great American Shake Out. Students and staff have consistently participated correctly and efficiently.

Stem-O-Ween is scheduled for this Friday morning beginning at 8:00am. This is an interactive Science, Technology and Math interactive activity for elementary parents and students hosted by our elementary staff. Doughnuts will be provided
