Re: RFP 26-00-04 – ERate Leased Fiber Services

Dear Ms. Anderson,

After careful consideration by our committee, your firm has been selected to provide leased fiber services for the delivery of internet access to the district.

A contract draft has been sent to Hunter and we need a current certificate of insurance to keep on file.

We look forward to meeting with you and your team soon.

Respectfully,

Jonathan Brabham
Infrastructure & Network Service Manager
