Bond and Facilities Planning Committee Meeting Information

Facility Condition Assessment

Birdville Center of Technology and Advanced Learning

A leading Career and Technical Education (CTE) campus that remains a symbol of Birdville ISD's commitment to preparing students for success in college, career, and future readiness.

Condition Assessment:

- More space needed
- Update technology and equipment for existing programs
- Support emerging industries: Film/Audio Video Production, Advanced Manufacturing, and Aerospace/Aviation

The Task

Analysis of the condition of a facility in terms of age, design, construction methods, and materials.

- Identify district needs per campus and across the district.
- Start with items left over from 2022 Bond.
- Include new initiatives and needs.
- Incorporate new state mandates and codes.

TO DO LIST

Current Challenges:

- Aging Heating, Venting and Air Conditioning (HVAC)
- Aging Plumbing
- Aging Electrical Systems
- Roofing and Building Enclosure
- Elevators and Chair Lifts
- Flooring and Maintenance of high-use areas
- Furniture and Equipment
- Bleacher Replacements
- Paving, Sidewalks, Drainage
- Elementary, Middle School and Support Facility opportunities at older buildings

How Do New Facilities Benefit Students in Birdville ISD?

Flexible Learning Spaces
