District Highlights

The purpose of the Superintendent Report is to give the Board a high-level overview of the amazing things going on across the district.

Welcome New Educators!

We had the most amazing week getting to know educators new to the OSD!

Highlights of our time together included going on a scavenger hunt around the district, meeting new friends & colleagues, and hearing directly from OSD students - just to name a few.

You're an amazing group and we are SO excited to welcome you to our OSD family!

New Educator Spotlights

alb Actively
Building
Competency, Character,
Culture & Community

Speaking of our new educators, we're excited to feature them on our social media sites. These are just a few of the great team members who will be joining us this year. Make sure to watch our OSD social media sites to join us in welcoming our educators to the OSD.

Jumpstart Orientations

This past Wednesday the entrance to OHS was decorated with messages of welcome for incoming 9th graders, who were in the building for orientation. This is just one of our popular Jumpstart orientation programs that we hold for classes of students who are new to the school building. They are held at OHS for 9th graders, OMS for 7th graders, and RCI for 5th graders.

This year, OHS hosted our OMS students as well due to a power outage at the middle school. This allowed us to continue with our program and share important information with our incoming 7th graders. We're grateful to our families, staff, and students for quickly adapting to this change....rest assured there will be many opportunities for our new 7th graders to tour OMS both at their ready set go conferences and on the first day of school.

National Night Out Community Events

We wrapped up our three National Night Out community events with the final one in Fitchburg. Our collaborative coloring projects were a hit and truly attracted kids of all ages! We were joined by a police officer, a mayor, and even a couple celebrating 55th & 56th reunions as alums from the OSD - just to name a few! What a special event. 🥳

Thanks to our partners from the Dane County Sheriff's Department, Oregon Police Department, and Fitchburg Police Department for making these events possible.
