Gadise Kobernusz Represents OSD at State Majority Leaders Conference

Congratulations to OHS student, Gadise, who was one of four area students selected to serve on a student panel during the recent Conference of State Majority Leaders.

☀️ The conference included 20 majority leaders from Sentates and Assemblies across the nation, split evenly along party lines. Gadise was selected for this honor based on her leadership during her political science class this past year.

Feedback from conference organizers shared that the student provided incredibly thoughtful, honest, and insightful comments on the state of politics, public trust, youth civic engagement, and their own political interests. In fact, a number of conference attendees shared that the student panel was a highlight of the conference! Congratulations, Gadise!

We are very proud of you.

Thanks to Mr. Wiegman and Mr. Bonsall for offering the class experience that prepared Gadise for this special honor.

District Highlights

The purpose of the Superintendent Report is to give the Board a high-level overview of the amazing things going on across the district.

A Wrap on Summer Semester

Our Summer Semester program wrapped up on August first and it was a fantastic month of learning, connecting, and having fun. We had record levels of attendance and our students had the opportunity to engage in so many areas of interest. We are grateful to all staff who worked hard to make this happen, families for supporting their students during summer learning, and our students for making it a great summer.

WI All-Stars of Music European Tour

Three OHS music students and their families traveled to Europe through the Wisconsin All-Stars of Music. 🎵 They performed and toured London, Paris, Lucerne, Zurich, Munich, and Salzburg. Some also continued on to Regensburg, Nuremberg, Prague, and Vienna for the optional Extension.

While there, they visited the sites and learned about not only the culture of each city, but also the rich music history.

OSD Website Receives National Award

The OSD Website received a national award of excellence. Our Communication Director accepted the award at the NSPRA (National School Public Relations Association) conference last month. We are very grateful to the team of website leaders at each school for their work that contributed to this effort and to continue to ensure that our website has the most updated and relevant information for our families and community.

Continuous Learning

Health and PE teachers from different schools in the Oregon School District recently participated in the Best Practices in Health and Physical Education Conference in Stevens Point. 🤗 At the conference, our teachers were able to attend different health and PE sessions to grow their knowledge portfolio and brainstorm ideas with other teachers from all over the United States.

We love how our educators are always learning about the latest practices and can't wait to see these new ideas put into practice this fall! 😊👍

National Night Out Community Events

We've had a great time at our community night out events this month. We're hosting a collective coloring poster project at our booth during the events. Last week we were in Oregon and Brooklyn. The last one will be **THIS WEDNESDAY** in Fitchburg at McKee Farms Park from 5-8 p.m. It is a great event and we hope to see you there.
