

September 2025

Dear Cold Spring Families,

On behalf of our Home and School Association, we'd like to warmly WELCOME our new families and recognize our long-standing Jaguars! Whether this is your first year as a Cold Spring Elementary parent, or you are a long-standing member of this community, we are so glad that you are here.

Cold Spring Elementary is a vibrant school community made up of many wonderful parts. We have eager to learn students, enthusiastic and caring teachers, supportive, helpful staff members, and parents willing to volunteer their valuable time. Our Home and School Association is dedicated to promoting a quality educational environment at Cold Spring.

All parents/guardians of children enrolled at Cold Spring Elementary, as well as administrators and faculty, are members of the HSA. We assist in building a vibrant school community for our students, parents/guardians and teachers, and are committed to enhancing the educational and social experience of our students by supporting our teachers in the classroom.

Some of the events we support are Pretzel Day, Book Fair, Trunk or Treat, Bingo Night, Spring Fair, Mother-Son and Father-Daughter dances, Holiday Shop and many more! We are proud to have supported the Outdoor Classroom project over the last few years and are looking forward to rolling out the landscaping phase of the project during this school year.

Without the involvement of parent and teacher volunteers, we would not be able to coordinate the events and activities that we do. There are many opportunities to get involved and volunteer, and we encourage all to get involved where possible. Please visit the Volunteering page on the Home & School tab of the Cold Spring website to learn more about HSA and how you may want to volunteer.

Please feel free to contact us at coldspringhsa@gmail.com at any time with questions, ideas or suggestions.

Wishing you well,
Cold Spring Home & School Association
