

District Highlights

The purpose of the Superintendent Report is to give the Board a high-level overview of the amazing things going on across the district.

The first day of school is an exciting time and we love the energy our families and students put into first day photos. This year we had over 70 families share first day photos on our OSD Facebook page - and NOBODY is too old - you'll see students of all ages who are included in the sharing.

You can find more on our Facebook page - @OregonSchools. This is one example of family engagement through the social media channel.

Kindergarteners Rock Week 1!

It has been a fantastic first week of school across the OSD, and a particularly exciting time for our new kindergarteners! 🙌 This week has been all about learning routines, getting to know one another, and starting to learn important skills.

Kindergarteners in Mrs. Jicha's kindergarten class have been working hard on their self portraits, with amazing results! 🌟 In addition to practicing fine motor skills, they are also learning about one another and what makes each of us unique and special.

Nice work, kindergarteners! You've rocked this first week and we can't wait to see what's next!

NKE First Week Assembly

Students at Netherwood Knoll Elementary started out the year by working to become effective learners and contributors to a better world by authentically practicing these Habits of Character.

In fact, they already had their first school wide assembly, where students learned the meaning of initiative, explored how it can be seen in practice, and saw it in action during our assembly activities.

The assembly concluded with both staff and students participating in a collaborative, hungry hippo game where initiative and good citizenship was on full display.

Congrats on an amazing first week of school! 🧡💜
