

Student Highlights

Riley Serves Up Lunch & Smiles in OHS Kitchen!

Our first student highlight features Riley - an OHS student who is working to develop essential employability skills while also being an incredible help to our OHS school nutrition team!

In addition to serving lunch each day as part of his Life Skills class, Riley hands out frequent compliments to students who come through his line.

Riley - we love your enthusiasm and care with which you do your job. We are very proud of your hard work and dedication, and you are clearly a bright spot in the day for many! 🎉

German Exchange Students

Our next highlight is showcasing our 25 students and three teachers from our partner high school, Dreieichschule, in Langen, Germany!

👏 They arrived last night and kicked off the visit with welcome festivities, dinner, and lots of hugs! 🥰

We are so glad you're here and hope you have an amazing time at Oregon High School over the next three weeks!

District Highlights

The purpose of the Superintendent Report is to give the Board a high-level overview of the amazing things going on across the district.

The first day of school is an exciting time and we love the energy our families and students put into first day photos. This year we had over 70 families share first day photos on our OSD Facebook page - and NOBODY is too old - you'll see students of all ages who are included in the sharing.

You can find more on our Facebook page - @OregonSchools. This is one example of family engagement through the social media channel.

4K Kick Off Event

It was a gorgeous evening for our 4K Kickoff event. 🎉 Our youngest learners and their families gathered for a picnic dinner and playground fun. 😊 What a great time to meet new friends and celebrate the start of the school year.

FES Kindergarteners Are Rocking School!

It has been a fantastic first week of school across the OSD, and a particularly exciting time for our new kindergarteners! 🙌 This week has been all about learning routines, getting to know one another, and starting to learn important skills.

Kindergarteners in Mrs. Jicha's kindergarten class have been working hard on their self portraits, with amazing results! 🌟 In addition to practicing fine motor skills, they are also learning about one another and what makes each of us unique and special.

Nice work, kindergarteners! You've rocked this first week and we can't wait to see what's next!

NKE Assembly

Students at Netherwood Knoll Elementary started out the year by working to become effective learners and contributors to a better world by authentically practicing these Habits of Character.

In fact, they already had their first school wide assembly, where students learned the meaning of initiative, explored how it can be seen in practice, and saw it in action during our assembly activities.

The assembly concluded with both staff and students participating in a collaborative, hungry hippo game where initiative and good citizenship was on full display.

Congrats on an amazing first week of school! 🧡💜

BKE Assembly

Brooklyn Elementary recently kicked off the school year with an all-school assembly!

🎉 Students came together to review the “Brooklyn B’s,” celebrate the Tower of Power, Golden Tray, and MVBs, and debut their brand-new school song: The Bobcat Way: Character Every Day! 🎵

To top it off, two special guest students wowed the crowd by ending the song with the splits! What a fun and energizing way to start the year! 😄

PVE Students Have Great Start of School

Students at PVE have had a fantastic start to the school year and are already navigating the school like pros! Favorites include reading, music, exploring, and - of course - lunch with friends!

BKE 1st Grade Team Kicks Off Year With "Tools & Work" literacy module

The first grade team at Brooklyn Elementary kicked off the start of the year by transforming their hallway into a construction zone to augment our Expeditionary Learning (EL) Education's First Grade, Module "Tools and Work." 🌟 This engaging learning module focuses on developing literacy and citizenship skills by studying tools and problem-solving.

You can find our literacy curriculum in the "Student Achievement" section of our website.

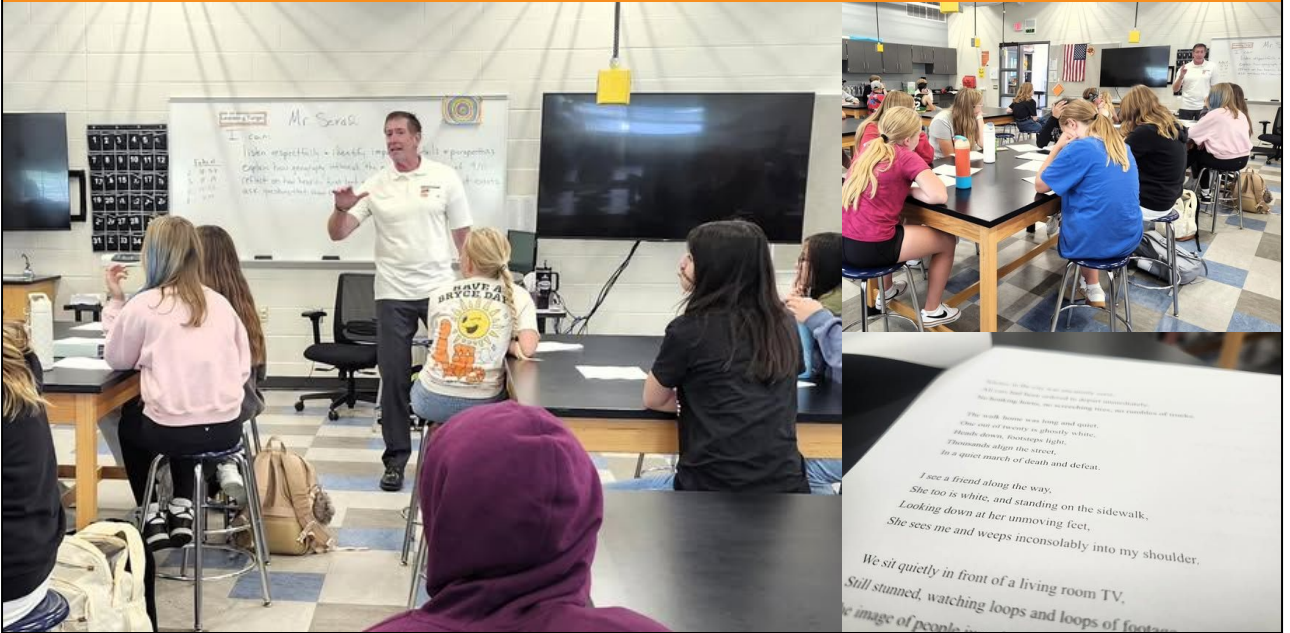

RCI Strikes Up the Band!

Sixth graders musicians in Mr. Bauer's class at Rome Corners Intermediate are getting back into the rhythm of band and are sounding great!

We are looking forward to hearing more from this great group later this year because we love hearing you play! 🎵🎵

OMS Hosts Special Speaker

Seventh grade students at Oregon Middle School engaged with a very impactful guest speaker today. Mr. Todd Serad joined our classes to speak about his experiences as a New York City resident during September 11, 2001. Mr. Serad shared excerpts from his paper, entitled "Another Ordinary Day in History," that he wrote as a way to cope with the events he witnessed; he holds this piece sacred to this day.

We are so grateful to Mr. Serad for taking the time to speak with us and share this important perspective.

OHS AVID Students Kick Off School Year

Oregon High School students in the AVID program, recently had a special kick-off party to celebrate their commitment to the AVID program.

AVID stands for Advancement Via Individual Determination and

Class of 2026: A Special Start to the Year

Seniors from the OHS Class of 2026 are starting out the year with time honored traditions, including the beautiful Senior Sunrise, class t-shirts, and car / parking space decorations! We love your spirit!

💛💜 It's going to be a great year, Class of 2026!
