

IT'S MORE THAN A MEAL APPLICATION

<https://www.myschoolapps.com/>

The Free and Reduced Meal application does more than just provide meals. Filling out the form helps secure continued funding from multiple sources to support all students.

Exam Fees

Discount or waiver fees for academic assessments, including the ACT, SAT and AP exams.

School Budgets

Increased federal funding for student academic support. This includes staff, training, equipment and supplies.

Scholarships

Local scholarships, tuition assistance for dual credit and AP courses and discount fees on applying for college.

School Meals

A free or reduced meal price on school meals. Families can apply at any time during the school year.

Technology Infrastructure

More funding for technology infrastructure and network services.
