

Power Outage at JFKHS and MMS

[Thursday, Oct 30 at 2:19 PM]

Power Outage Update:

Power has been restored to all buildings.

Mattlin Middle School and all elementary schools will have normal dismissal.

Thank you.

October 30, 2025

Good afternoon,

A fallen tree has caused a power outage affecting the area that includes JFK High School and MMS. As a result, all after-school activities and remedial sessions at JFKHS have been canceled, and students will be dismissed after 9th period at 1:49 PM.

At this time, we expect a normal dismissal at MMS, but we will provide an update once we have more information regarding PSEG's restoration efforts.

Please be assured that all students are safe, and there is active supervision by our administrative and security teams while power is being restored.

Thank you for your understanding and cooperation. We will update you at 2:30 PM.

Sincerely,

Dr. Mary O'Meara

Superintendent of Schools
