Fellow Mounts and Community Friends:

Many years ago, the Athletic Boosters began an Athletic Hall of Fame for students, coaches, and others from Mt. Penn and Antietam who had distinguished themselves in connection with our athletic programs. During the time of its existence, ten notables were selected and honored at ceremonies and presented with plaques that were displayed in our old high school gymnasium foyer.

Over time, the athletic and activities committee of the board began researching the history of the ASD Hall of Fame, and after several meetings, they proposed a reformation with a few very important and worthwhile changes. The committee proposed looking beyond athletics to include scholastic, career, and service achievements by our graduates, employees and others from this community that deserve to be honored. On October 26, 2009, the Board of Directors approved the new structure and guidelines for the Antietam School District Hall of Fame.

A copy of the document for nominations to the Antietam School District Hall of Fame can be found below. The Mt. Penn/Antietam School District has a very proud past; and it is the intent of the Hall of Fame to honor those individuals that have distinguished themselves either here in our schools or as they have made their way through life. Such an endeavor relies heavily on the community and the connections to graduates who have made their way across the nation and the world. The district invites fellow Mounts and community members to make nominations for consideration to the Hall of Fame.

Sincerely,

Timothy A. Matlack, Ph.D.
Superintendent of Schools
