This fundraiser supports two vital initiatives: the **MAC Mentoring Program** & the **Michael Austin Clark JTHS Athletic Boosters Endowed Scholarship**. The MAC Mentoring Program, inspired by the late Michael Austin Clark, empowers young African American males in the Joliet-area through mentorship, academic support & life skills development. The endowed scholarship honors Michael's legacy by providing lasting financial support to student-athletes at Joliet Township High School. All proceeds from the event will directly benefit & uplift youth and foster educational and personal success.
