**Recommended:** Go through the process of purchasing a yearbook first, and then click “Keep Shopping” after adding that to your cart.

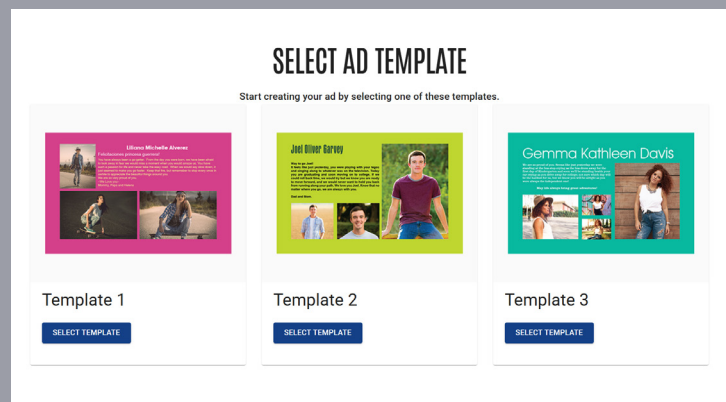

Select “Get Started” in the box for 8th Grade Ads.

Enter all the required information and go to the next page.

Here you have the option to choose “Upload My Finished Ad” or “Design My Own Ad Online”.

**Upload My Finished Ad:**  
allows you to create an ad in a platform of your choice and then upload the complete ad here.

**Design My Own Ad Online:**  
allows you to use pre-designed templates in our Walsworth Platform to create your ad.

Select one of the two options, then continue through the process until your ad is uploaded or completed.

Then you can complete the checkout process.
