HIGH-QUALITY PRE-K

FAMILY ENGAGEMENT PLAN

Introduction

The Aledo ISD Early Childhood Academy, in alignment with the Texas Education Agency's High-Quality Pre-kindergarten Program guidelines, is committed to fostering strong partnerships among families, schools, and the community to support each child's early learning and development. We believe that meaningful family engagement lays the foundation for a successful transition into kindergarten and beyond. Our goal is to create a welcoming environment where families are valued as essential partners in their child's education. At Aledo ISD, we know that when schools and families work together, children thrive, because learning truly starts with connection.
