What is it?

Fabens Elementary school is committed to our vision: Fabens Elementary working together to support student learning by creating a respectful, safe learning community where individuals are valued, respected, and supported to be the best version of themselves. One way that we continue to do this is by participating in the Title I, Part A State Program. The Title I program provides funding for low socio-economic schools. In return, the campus commits to meet the expectations laid out for Participation schools by the Texas Education Agency and the United States Department of Education. The Texas Education Agency is the state agency that oversees primary and secondary public education. It is headed by the commissioner of education. The Texas Education Agency improves outcomes for all public-school students in the state by providing leadership, guidance, and support to school systems.

Funding

Title I funds will be allocated for the implantation of the parent and family engagement program. These procedures, programs, and activities will be planned with meaningful consultation with the parents of participating children on August 25, 2025, from 4:30 pm-6:00 pm and on February 12, 2026, from 4:30 pm-6:00 pm.

Review

All use of the funding and planned activities can be reviewed by the Texas Education Agency upon request to ensure that they meet the needs of the Parent and Family Engagement Program.

Parent meetings will be held periodically throughout the school year. These meetings offer the parent and school communities the time to share valuable and necessary information. These meetings will take place in the cafeteria and will be done in both English and Spanish to accommodate all participants. Entry is welcomed through the main entrance. Meetings may be held at different times monthly to help accommodate a wide variety of parent schedules.

- July 30, Campus PreK and K-2 Meet the Teacher Night (Opening introductions before the first day of school) from 4:30pm-6:00 pm

Fabens Elementary utilizes the curriculum listed below. More information on any of the listed programs is available upon request. Please contact the Campus Principal, Veronica Brashear, via email at vbrashear@fabensisd.net or by telephone at 915-765-2650. You may also contact Assistant Principal Jessica Yildirim, via email at jyildirim@fabensisd.net or by telephone at 915-765-2650.

Curriculum

- Texas Essential Knowledge and skills Resources System – Texas Standards for all Content Areas including Enrichment.
- Implementing Texas Essential Knowledge and Skills – Supporting Resource for the teaching of Texas Standards for all Content Areas including Enrichment.
- Frog Street – The Frog Street Pre-K curriculum is a comprehensive, dual-language program designed to meet the needs of diverse learners while supporting developmental learning domains. This engaging interactive pre-kindergarten curriculum celebrates the joy of learning as children prepare for kindergarten.
- HMH and Summit K-12; contact classroom teacher for access to the program.

Forms of Academic Assessments

Fabens Elementary uses:

- CICRLE Progress Monitoring System (PreK), that enables teachers to assess progress in particular skill areas. This data collection prompts teachers to focus on lessons that target their students' needs.
- Amplify testing (K-2) helps teachers see how well students are learning important reading and language skills. The results show what students already know and what they still need help with. This helps teachers plan lessons and provide extra support when needed, so every student can become a stronger reader and learner.
- Renaissance Reading and Math (K-2) tests help teachers understand each student's strengths and areas that need improvement. The results guide teachers in planning lessons and providing the right support, so students can grow and succeed in reading and math throughout the year.

Expected Achievement Levels on Academic Assessments

The state's performance standards can be found at the following website:
<http://tea.texas.gov/student-assessment/testing/staar/staar-performance-standards>

The school has systems in place to monitor the progress of each child and ensure that growth is tracked.

**Ways to Request
Regular Meetings**

Guardians can bring any suggestions, ideas or concerns to the monthly meetings listed above. However, if they need to meet with the administrators or their child's teacher at another time, they can email the individual or call the front office at 915-765-2650. We welcome any ideas, feedback, or concerns as we want our school to be a place where everyone feels safe and welcome.

Principal, Veronica Brashear
