

WHAT IS A SCHOOL-PARENT COMPACT?

The **school-parent compact** is a collaborative agreement that outlines how **parents/guardians, the entire school staff, and students** will share the responsibility for improved academic achievement. It also outlines the ways they will work together to build and develop a partnership to help children achieve the state's high standards.

JOINTLY DEVELOPED

The School-Parent Compact was developed through collaboration between **parents/guardians, students, and staff**. Teachers worked with their teams to design strategies families can use at home, and parents and students provided feedback and ideas that were incorporated.

To keep it effective, the compact is reviewed and updated each year based on academic goals and student needs. Families are encouraged to share feedback year-round. **For more information**, contact us at **(915) 765-2650** or visit: <https://fes.fabensisd.net>
