

# DISTRICT GOALS

## 2025-2026

### I

#### Extraordinary Student Focus

We are committed to nurturing the whole child and maximizing every student's potential. This will be achieved through diverse, data-driven instruction that uses multiple assessments to address the unique needs of each learner, preparing them to be confident and capable for the future.

- Cultivate responsible and innovative critical thinkers
- Identify resources for curriculum alignment and the enhancement of the P-12 continuum
- Develop learning pathways that ensure equitable access to rigorous opportunities
- Integrate student voice in school and district decision-making processes
- Continue development and implementation of evidence-based MTSS-I interventions
- Expand restorative practices
- Develop opportunities for teacher-led professional development
- Develop AI policy and guidelines by building

### II

#### Financial & Operational Planning for Future Stability

Through strategic short and long-term financial planning, we are dedicated to maintaining safe, secure and environmentally responsible school facilities that support our community's well-being and future growth.

- Develop the district's five-year financial plan
- Continue budget monitoring for stability
- Develop a facility needs plan based on the Building Condition Survey
- Develop a bond plan to improve the campus and aid fiscal solvency
- Review and analyze grant-funded expenditures
- Develop a district administration reorganization plan
- Complete Smart Bond projects

### III

#### Enhancement of School-to-Community Partnerships

We commit to strengthening communication channels with parents, staff and the broader community to foster meaningful engagement and drive measurable growth in community involvement within our school district.

- Expand internship opportunities through career exploration
- Expand Parent University programs
- Partner with local community professionals and organizations to expand career exposure
- Expand partnerships with local programs, services and agencies to benefit youth and families
- Enhance systems of communication with all district residents
- Create opportunities for increased community engagement
- Enhance collaboration efforts with local elected officials to support the needs of the school district and community
- Develop a parent advocacy chain of command
- Create curriculum resources for parents

### IV

#### Commitment to the Health and Safety of Our School Community

We are dedicated to the health and safety of our school community by strengthening district structures and routines, while actively leveraging ongoing training, partnerships, and available resources.

- Support social-emotional needs of students, faculty and staff
- Review and update security systems, protocols and personnel
- Review and update cybersecurity systems and practices
- Maintain a regular review process for technological and physical systems
- Develop a policy to educate students on digital wellness and monitor effectiveness
