MUCH TO CELEBRATE

There's a lot to consider in
November besides
Veterans Day, Election Day
and Thanksgiving.

November is both Native
American Heritage Month and
Diabetes Awareness Month.

November 16 is United Nation's
International Day for Tolerance.

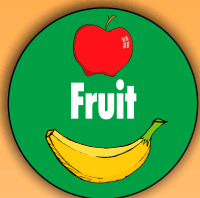

And American Education Week
is November 17-21. This week
is held annually to honor all
those who work hard to give
every child a quality
education.

**So...don't forget
to thank teachers
and staff !**
