

FREE TUTORING

English Language Arts Math, Science and Social Studies

Tutoring provided by
UB'S BRAINY BULLS

The University at Buffalo in collaboration with the Graduate School of Education offers FREE tutoring services to local students in grades 5-12. Tutor mentors in all subjects are available. We partner your student with a UB student who will offer academic guidance in regular one-to-one online tutoring sessions. Tutoring is available by appointment.

Learning levels 5th-6th, 7th & 8th and 9th-12th
Tuesday through Thursday between 2:30-6:30 p.m.
To receive tutoring services, participants must:

- Be a student in a Western New York school
- Have access to the internet and a computing/electronic device as well
- Provide a valid email address

Appointment time slots are dependent on tutor mentor availability. Tutor mentors are current UB students who have been vetted and have received culturally responsive training. All tutor mentors must complete and pass all NYS fingerprinting requirements and receive ongoing professional development.
