

# SCHOOL HEALTH ADVISORY COUNCIL MEETING MINUTES

4/18/2024

## MEMBERS:

Janette M. Bristow, Health Coordinator

Juan Sosa, Chief

Rene Flores

Eddie Errisuriz

JoAnne Fernandez

Amy Strubhart

1. Start of meeting at 2:00 pm
2. Reviewed Senate Bill 629 & House Bill 3908
3. Janina Gonzales requested a standing order for the use of Narcan and it was received.
4. Training for opioid and naloxone: Police officers received the training. Mr. Flores has been trained but is not carrying it. STEC trained the police officers and Mr. Flores. Nurses and health aides have been trained as well. Recommendations for additional staff members, PE coaches, Principals, AP's, ASP employees. Especially on the secondary level. Police officers are the only ones carrying the medication. Most districts are storing the Narcan with their AED machines or stop the bleed cabinet.
5. Currently there are 70 AED'S.
6. **Regarding recommendations.** Chief Sosa feels that the nurses should be able to train and administer Narcan. The more trained the staff is the better help it will be to fight this. Mr. Flores agrees to it as well. J. Fernandez beneficial to have the Narcan in the AED case is a good idea. Chief Sosa is asking would each campus be responsible to order their own Narcan? Website UT health and order
7. Janette will meet with Mr. Perez to discuss the findings of today's meeting.
8. Meeting adjourned at 2:32 pm
